

CROSSING GUARD APPRECIATION DAY PICKERING

Crossing Guard Appreciation BBQ at City Hall to recognizing the incredible people who keep our streets safe every day, rain or shine. Our crossing guards are truly the unsung heroes of our community, offering safety, kindness, and a friendly face to our students and families. Thank you to Carraway Safety and the Men's Progress Club for a great BBQ. Mayor Kevin Ashe.

It was our pleasure to welcome former Mayor Dave Ryan, alongside Mayor Kevin Ashe, Ward 3 City Councillor Shaheen Butt, Ward 3 Regional Councillor David Pickles, and Ward 2 City Councillor Mara-Elena Nagy to the groundbreaking ceremony for the Dave Ryan Community Park in Seaton. Spanning over 12 acres at the southeast corner of Alexander Knox and Mulberry, directly across from the new regional long-term care facility currently under construction, the park is slated to open in Fall 2027.

Shaheen Butt

It was a pleasure to attend the Durham Rocket Design Awards Ceremony with Mayor Kevin Ashe, where talented youth were recognized for their outstanding designs. Their creativity, innovation, and passion are inspiring and reflect the bright future of the next generation of inventors, engineers, and designers. Congratulations to Daanyal Maqbool for organizing this wonderful event, and to all the participants for their hard work and achievements. Your dedication and imagination are truly commendable. Well done to everyone involved!

Province Recognizing Bowmanville Metro Store 453 For Outstanding Support for Ontario Farmers

CLARINGTON – MPP Todd McCarthy awarded Metro 453 Store Manager Michelle Blair and Produce Manager Rick Runnells of the Bowmanville Metro Store 453 with the 2025 Platinum Award for their commitment to protecting Ontario's farmers and local food supply chain by promoting local produce through the Foodland Ontario Retailer Awards program. The program awards creative in-store displays of fresh, seasonally grown fruits and vegetables that make it easy for consumers to recognize and buy the good things that grow in Ontario. "Like many communities in Ontario, Clarington's grocers, food, and agriculture producers provide a valuable service to the people of Ontario" said the Hon. Todd McCarthy, MPP for Durham. "Our local growers and grocers contribute greatly to Ontario's food supply-chain system in partnership with Foodland Ontario, and it's through this partnership that all Ontarians can rely on healthy food choices, and a reliable and sustainable system for which it is delivered." The annual Foodland Ontario Retailer Awards have continued to be the produce industry's signature opportunity to recognize the creative talent of produce managers and staff for 39 years. "Congratulations to all the winners of the 2025 Foodland Ontario Retailer Awards," said Trevor Jones, Minister of Agriculture, Food and Agribusiness. "Retailers play an important role in supporting Ontario's local food system by helping shoppers identify and choose fresh Ontariogrown produce. When we choose to purchase what is grown right here at home, we are protecting our province by supporting our farmers, strengthening our economy and ensuring the long-term stability of our food supply." This year, the Foodland Ontario Retailer Awards are recognizing 60 grocery stores across the province for their innovative promotion of fresh Ontario-grown produce. These annual awards include four categories of displays that celebrate excellence in retail display and promotion of local produce.
