MUNICIPAL INTERNET POSTINGS DO NOT WORK

In an age of misinformation and shrinking newsrooms, your support for credible journalism has never mattered more.

According to the 2024 Digital News Reports by the Reuters Institute, 52% of Canadians say they're willing to pay for trusted news - yet only 15% actually do.

This gap threatens... the sustainability of local news organizations like ours who work every day to report with integrity, accountability, and a deep connection to our community.

Other countries are stepping up:
Norway: 40% pay for news
Sweden: 31% pay for news
Australia: 21% pay for news
Finland: 20% pay for news
Even United States outperforms Canada's support of journalism, with 22% of readers who pay for news.
Canada shouldn't fall behind
Local journalism keeps communities informed, connected, united and empowered. It shines a light on the issues that matter most - your schools, your streets, your stories.

By subscribing, you're not just getting access to trusted local news - you're helping preserve a vital public service.

**CHOOSE TRUTH
CHOOSE FACTS
CHOOSE LOCAL JOURNALISM**

Municipalities have opted for online posting with catastrophic failure. Every week you are missing out on important local information that affect your daily life.

Municipalities are forcing taxpayers to go on line. Taxpayers are not responding due to a series of realities:
Cost of Internet
Cost of purchasing computer/cell phone.
Lack of knowledge on use of technology.
Complex web pages full of pop-ups.
Lack of time to sit in front of a computer.
Internet is infested with all kinds of algorithms that track you.
Internet is very specific and not broad enough for public.

By supporting your local newspaper you are uniting the community around a trusted local news source. Your support, supports local businesses and creates an atmosphere of community. Your support sends a real message to your municipality that you demand arms length accountability.

Your local newspaper is written and published by journalist that live and work in the community. Community members that you can trust. Today, even major network news sources have fallen to bias reporting due to political interests. Your local community newspaper is different. Your local journalist bring you articles that matter to you and your family. Demand that your municipality publish in your local paper.
