"You get like this whole sort of **family supporting you** and that really came across. It was **far beyond just the sale and the purchase of a home**. It was a **whole package, a whole team coming together** to make a dream come true. We got a sense that **they really knew their stuff**, they were **extremely professional**. It almost felt more to me like we weren't hiring a Realtor, we were **hiring a whole team**. It was quite refreshing when we found the Dan Plowman Team that you were getting **a fleet of experienced Realtors and media staff**, and anybody we needed along the way that were able to **work together to get us to where we needed to be.**" — Lina and Kevin
