The Navy League of Canada's youth program offers young Canadians, aged 9 to 18, opportunities to develop leadership, citizenship, and physical fitness through structured naval-themed activities and training.

This program emphasizes teamwork, discipline, and community service, providing a supportive environment for personal growth and skill development.

The Navy League of Canada is a non-profit organization dedicated to promoting maritime affairs, fostering leadership, and providing youth programs across Canada.

The Navy League Cadet program aims to help young Canadians learn life skills including citizenship, teamwork and self-discipline. Our programming is designed to help cadets become more aware of the world around them, become self-sufficient and confident in their own skills. Throughout their training, Navy League Cadets learn what good leadership looks like, how to work together, and how to overcome challenges.
