**Stuff the stockings with seedless Georgia citrus!**

Fresh satsuma mandarins and kishu mandarins are both seedless and easier to peel than clementine mandarins like Cuties and Halos. Satsumas are also juicier than clementines, and bite-sized kishus are sweeter than clementines, too!

**Satsuma Mandarins - 20 Pound Box, \$48**  
**Kishu Mandarins - 10 Pound Box, \$48**

**Win the baking season with fresh Georgia pecans!**

Shelled halves of pecans from the recent fall crop are refrigerated for storage in order to arrive fresher than store-bought pecans that are shelved at room temperature!

**Shelled Pecans - 1 Pound Bag, \$16**
