Over the past century our Fraternity is known for the positive and crucial impact we have had on our local communities. The Moose has proven how influential and important our core initiatives have been to our society, resulting in greater public awareness of our Fraternity and another year of an increase in membership. It is essential to invite community members to join us in support of our shared goals and demonstrate our commitment to making a significant difference into the future.

In order to continue our positive momentum, we as a Fraternity should share our vision with others to inspire collaboration and unity within our culturally diverse societies. The synergy between the Moose and our local communities is fundamental to raising the awareness of the Fraternity and increasing our relevance. Together, let us work hand in hand to support our local chambers of commerce, schools, and other worthy organizations valued by our communities. Through these meaningful partnerships and shared endeavors, we can cultivate a more harmonious and unified environment for all.

Through this year's membership campaign, we highlight the good that our fraternity has provided to our local communities for the past 100+ years and promote what we will continue to do into the future.

Embrace the possibilities and be at the heart of OUR community!

Can Mooseheart Help Someone You Know?

You may be a guardian (or may know one) who can't personally care for their children, but who seeks the "peace of mind" of knowing that their children's needs are being met every day.

Mooseheart Child City and School, Inc. is a special place where children in need are provided a caring community, a nurturing home, a solid education and an opportunity to reach their full potential. Mooseheart is located in Illinois, just 40 miles west of Chicago.

These benefits and more are made possible by the continued support of the Moose fraternal organization. Children are never turned away for lack of finances.

Mooseheart is a full time, year-round residential childcare facility for eligible children of needy families. Children live in one of 30 residences designed like a spacious single-family residence. Each is home for six to 12 children. The children of Mooseheart live with professionally trained Family Teachers who provide a consistent, systematic method of care, with emphasis on social-skills development – skills essential for success in later life.

"Mooseheart has truly been the gift of hope for six youngsters from a small county in Florida. I am eternally grateful for the wonderful resource that Mooseheart has become for me and my students."
