Present members please reach out to your family members and make them aware of what the Moose is all about. Call the Lodge at (818) 957-7133 for info on membership benefits. Try to attend our Lodge meetings on the 2nd and 4th Mondays every month. Listen in on what the Lodge is doing for our children and Moose member retirees, as well as our local community.

EMELIA LAGOUSIS WILL GO TO ALA GIRLS STATE

Emelia Lagousis, daughter of members Ted and Kendra Lagousis and granddaughter of Administrator Don Thompson, has been selected as the delegate to represent Mayfield Senior High School in this year's girls state program.

"Less than 1% of high school juniors from schools throughout California are selected for this nationally recognized leadership program. Delegates travel to ALA Girls State in Sacramento each summer to learn about the structure and responsibilities of state government, and to learn about the importance of meaningful participation in all levels of government by living for a week as a self-governing citizen - Loni Miller"

We are very proud of her personal effort to be part of this selection, and are very excited for her upcoming experience with ALA Girls State this summer.

Can Mooseheart Help Someone You Know?

You may be a guardian (or may know one) who can't personally care for their children, but who seeks the "peace of mind" of knowing that their children's needs are being met every day.

Mooseheart Child City and School, Inc. is a special place where children in need are provided a caring community, a nurturing home, a solid education and an opportunity to reach their full potential. Mooseheart is located in Illinois, just 40 miles west of Chicago.

These benefits and more are made possible by the continued support of the Moose fraternal organization. Children are never turned away for lack of finances.

Mooseheart is a full time, year-round residential childcare facility for eligible children of needy families. Children live in one of 30 residences designed like a spacious single-family residence. Each is home for six to 12 children. The children of Mooseheart live with professionally trained Family Teachers who provide a consistent, systematic method of care, with emphasis on social-skills development – skills essential for success in later life.

"Mooseheart has truly been the gift of hope for six youngsters from a small county in Florida. I am eternally grateful for the wonderful resource that Mooseheart has become for me and my students."
