MEMBERSHIP RETENTION

Our fraternity needs us more than ever! Should you still care, have the desire to support our needy children at Mooseheart, and be willing to continue to keep our retired seniors at Moosehaven content, then hang on and remain a loyal member of our Glendale Moose Lodge. These kids and seniors depend on us members to keep those two facilities open. When your membership comes up for renewal, I ask you and pray that you will do so. Most of our membership is up in years--me included--and find it very difficult to attend any of our social activities, or for that matter attend any of our Lodge meetings. I know that some of you no longer wish to drive at night. Also, healthwise you are no longer socially active as you were in the past. But you know, it would be great to see most of you again. I have already seen some of my member friends pass away. Just to name a few: Frank Rubino, Al Garcia and George Webb.

With this corona virus situation and quarantine, the Lodge has been shut down for the most part. With the exception of having to keep up with Lodge business, we had to cancel our plans for some social activities as well as Officer and membership meetings.

However, it seems things are letting up now. We are planning on having an "Open House" here at the Lodge at 4011 La Crescenta Ave., Glendale, CA 91214. It will be an afternoon affair sometime in September or October. We will provide you with the details in the months to come.

Please stay healthy and take care. Again, I am asking that you renew your membership when it comes due. If you allowed your membership to expire, please re-consider and become active once more. Call Don Thompson at the Lodge, phone #818-957-7133 for assistance to get you back in the fold. We are here to help you.

Do you know that when you renew your Moose membership approximately 80% of your dues goes to Mooseheart and Moosehaven? Even though you find it difficult to come out to the Lodge, you are contributing to our two precious campuses by remaining active members of the Glendale Moose Lodge. You are truly a very valuable person to these kids and retired seniors.

One of our Moose missions is to remain active in the local community. Together with our members, The Glendale Moose Lodge has been able to make donations to our fire and rescue police, The Salvation Army, Prom Plus, and The Ronald McDonald House, just to name a few. We have also provided free breakfasts to our local fire and police personnel. And, we have sponsored two baseballs teams for our kids in the area.

Your annual dues help your Lodge to provide many wonderful things in the name of "Moose." Thank you for your loyal support. We cannot accomplish these things without you. God bless you.

Governor's Report

Just that simple!

By Louis Gabriele

The countdown was on for the 132nd Annual Convention of the Loyal Order of Moose. This was the first ever virtual presentation of our fraternal gathering. The change in plans caused by the corona virus pandemic created a new and complicated challenge for the Moose International staff. We met virtually on June 25th and 26th which were the dates of the live-streaming effort. All members were urged to join in and enjoy a different kind of convention. Everyone will be able to view recordings of the sessions at a later date through the postings to the Moose's "YouTube" platform.

The vote:

Approve the Report of the Rules and Order Committee.

Approve the nominees for the offices of Supreme Council:

Supreme Prelate

Supreme Junior Governor

Supreme Governor

SAMPLE:**Laws for Member Lodges - Lodge Organization:**

1. The majority of changes to Section 3 involve the updating of terminology to adapt to the new "One Moose" Lodge transition.
2. Eliminated the membership qualification "Be a male person."
3. Applicant qualifications for the Women of the Moose are eliminated from this section, but still exist in the Women of the Moose General Laws (a separate document).
4. Individual title changes will occur for the Lodge Officers, including "President" for Governor; "Vice President" for Junior Governor; and "Chaplain" for Prelate.
5. Officers must be a member of *either* the Moose Legion or Women of the Moose:
 - a. Eligibility of Officers - Only active lodge members, who are also either active members of one of the lodge's men's higher degrees or the lodge's Women of the Moose unit (or establish such active membership within sixty (60) days following installation) in the lodge, may be considered for any elected office.

Governor’s Report (Continued from Page 3)

- 6. The revised Laws for Moose Social Quarters and Homes (Section IV) eliminate the House Committee; those duties will now be performed by the lodge’s Board of Officers.
- 7. The new Laws for Moose Social Quarters and Homes eliminate the House Committee; therefore, it is no longer listed as one of the duties/responsibilities of the lodge Board of Officers.
- 8. An Executive Session has been added to every Board of Officer’s meeting to discuss confidential topics (i.e. personnel matters, legal matters, etc.), including issues previously handled by the House Committee, which is eliminated in the “One Moose” Lodge structure. Specific rules and documentation apply to these sessions.
- 9. Joint lodge and chapter meeting terminology is eliminated as this option is no longer needed.
- 10. The “Donations from a chapter to a lodge” paragraph (43.4) has been removed, but will still appear in the Women of the Moose General Laws.
- 11. The Women of the Moose “Chapter Organization” paragraph (46.21) has been removed, but will still appear in the Women of the Moose General Laws.

NEXT EVENT:

Our biannual Moose Legion Conference is set for Pittsburgh, PA the end of October 2020.

The event will be held from October 29th to November 1st, 2020 at the DoubleTree Green Tree location in Pittsburgh, PA.

Governor Newsom:

“**Reminder:** COVID-19 hasn't gone away. We all need to do our part to slow the spread and protect ourselves and others. **Do your part. Wear a mask.**”

This isn't about politics. It's science. We know that COVID-19 spreads mainly from person-to-person through droplets produced when an infected person coughs, sneezes, or talks. Did you know that COVID-19 can spread up to 26 feet if you sneeze? Up to 6 feet if you cough? Up to 4.5 feet when you simply exhale?”

Dear Members,

The ongoing tragedy of lawlessness around the country in various states and cities is a direct result of poor education. A great deal of these protesters have no idea what they are demonstrating about. They are just following the leader and venting as they are told. They have been brainwashed by their peers and their educators to the extent they believe they are due some type of reparations for something over 150 years ago. We know the best helping hand is at the end of your arm, not from your government in the way of subsistence. That subsistence only begets more dependence on others and less reliance on yourself. This brings up the real cause of this unrest, EDUCATION. Thank God for Mooseheart, here our young people can get a rounded and thorough knowledge of American values, history, rules of law and political agendas from a non-biased view to determine which party or path they decide to follow. There should be a Mooseheart in every state of the Union, unfortunately there isn't so we must do the very best we can to help educate the students we can. Supporting this cause is crucial to our obligation as Moose members. We can make a difference by maintaining this campus now and for future scholars to come. Remember to donate generously each month if possible, or when your dues are due add a little bit more for our youngsters. They are our future!

Don Thompson, Administrator
