FROM THE PRESIDENT

Hi members, on September 15, 16, and 17, 2022, I will be attending the CA/NV Moose Association Convention in Sparks, Nevada. It seems like I just returned from Orlando, Florida where I was attending the Moose International Convention. I am happy to report that our fraternity is growing and it is now close to 900,000 members. However, we are losing too many of our members. We know that no one lives forever, but we have too many members who are not renewing their membership. **MEMBERSHIP RETENTION** is very important and is one of our goals where improvement is needed. When the time comes for us to renew our annual dues, **PLEASE DO SO**. Mooseheart and Moosehaven depend on our moose membership to keep the doors open to these two facilities. Keep in mind that approximately 78% of our dues go directly to Mooseheart and Moosehaven. It's all about the Kids and our valued Retirees.

On September 12, 2022 the Glendale Activities Committee will be meeting to plan and schedule some events for our members and their guests. We will keep you informed and hope that we will see many of you in attendance. I am sure we can all be careful when it comes to our health and still have fun and enjoy life. God bless Mooseheart, Moosehaven, our members, and family and friends.

EAGLE SCOUT PROJECT IS A “GO!”

Emelia Lagousis, daughter of members Ted and Kendra Lagousis and granddaughter of Administrator Don Thompson, is spearheading a project which will not only help her earn the rank of Eagle Scout, but will also benefit the Verdugo Hills Memorial Hall. The project will install two needed handrails; one along the 50' ramp leading to the south door of the building, and another along the steps on the other side of the door. These handrails will provide much needed safety measures for members entering the Lodge building from both the street and the parking lot.

Emelia made her presentation to the Officers of American Legion Post #288 and Veterans of Foreign Wars Post #1614, owners of the VHMH, at their monthly pancake breakfast in August, which became a fundraiser for the project. The money raised will help pay for the railing materials and paint. Installation will be under the supervision of Moose members Chuck Hughes, First-Year-Trustee, and Darren Azarian, 3rd-Year-Trustee. Project completion is scheduled for the end of September.

Emelia is a member of BSA Troop 360, the first and only all-girl troop in San Marino.

Can Mooseheart Help Someone You Know?

You may be a guardian (or may know one) who can't personally care for their children, but who seeks the "peace of mind" of knowing that their children's needs are being met every day.

Mooseheart Child City and School, Inc. is a special place where children in need are provided a caring community, a nurturing home, a solid education and an opportunity to reach their full potential. Mooseheart is located in Illinois, just 40 miles west of Chicago.

These benefits and more are made possible by the continued support of the Moose fraternal organization. Children are never turned away for lack of finances.

Mooseheart is a full time, year-round residential childcare facility for eligible children of needy families. Children live in one of 30 residences designed like a spacious single-family residence. Each is home for six to 12 children. The children of Mooseheart live with professionally trained Family Teachers who provide a consistent, systematic method of care, with emphasis on social-skills development – skills essential for success in later life.

"Mooseheart has truly been the gift of hope for six youngsters from a small county in Florida. I am eternally grateful for the wonderful resource that Mooseheart has become for me and my students."
