

Minutes Manitou Springs Women's Club Board Meeting

January 31, 2022

The meeting began at 9:00 am at Moe's Diner on Manitou Avenue. Officers in attendance were Lori Galloway, Pam LeGrande, Sally Fitzgerald, Tracy Shogren, Annie Schmitt, Maggie Chambers, and Stacie Fortune.

The discussion opened concerning the upcoming meeting on February 7th. Annie is arranging the prosecco through Natalie Johnson and the MAC. She will also pick up small cups for the prosecco. The first glass will be free and each glass after that will be \$5.00.

Pam has passed out a number of letters regarding the chocolates, so far The Hemp Shop is providing CBD chocolates. She is following up on the rest. Maggie offered to make little chocolate mice which the entire board thought would be cute, and Pam has said LeGrande Accents will donate chocolates if necessary.

Lori volunteered to do the door prize, and since it was discussed that we need table decorations, she will get a small plant for each table and decorate the plant. We will have 6 door prizes then for the February meeting.

Pam confirmed Sara Foster-Berry is the speaker this month and Sally confirmed that Michael Galvin will play classical guitar.

Sally announced that Raynell Martin and Deanna Martin would be retiring from the club because of family matters.

Annie said she would like to speak at a meeting about the refillable soaps available at the MAC at a meeting.

We discussed the upcoming meeting at City Hall about the potential renovations and many board members planned to attend to make sure Memorial Hall would be preserved.

We still need a historian.

The meeting ended at 10:30 am.
