## **About Better Business Music Ltd.**

Better Business Music Ltd. has over 25 years of experience in music and system design, national accounts, engineering, and installed systems throughout North America, Canada and Mexico. Our Corporate Office is located in Toronto, Ontario Canada. Better Business Music Ltd brings extensive engineering resources, real-world experience and technical music and sound reinforcement expertise. A privately held company, Better Business Music Ltd exhibits conservative management, steady growth, quality control and the financial stability to fund projects of all sizes and complexity. Using shared AV specialist's resources across the globe, we can install and service any project while still providing project administration, oversight and contact for our clients.

**All of the government music usage fees for commercial use are included for worry free usage.**

### **Concentrations:**

- Licensed background music specific to each client including most genres
- Audio systems partnerships with BOSE/TOA/Boston Acoustics/McBride
- Audio system design for various commercial rooms
- Audio system maintenance and installers with Nationwide coverage
- Digital signage with SAMSUNG and LG commercial screens available
- Scent for Resorts, Spas, Parking Garage Areas

I look forward to connecting, and further discussing our unique sensory branding approach.

**We can come and demo the product let us know!!!**

Thank you for your time and consideration,

**BETTER BUSINESS MUSIC™**
