COFFEE AND CERAMICS STUDIO

Host your next event at Our Space

Looking for a unique and creative venue for your private event?

At Our Space, our pottery studio offers the perfect setting for hands-on fun, whether it's a birthday celebration, team-building event, or just a memorable gathering with friends.

We offer flexible booking options, including class-only sessions priced per person, or you can extend your time before and after the class for setup, celebration, and relaxation. Additional time is available at $100 per hour to cover staffing, venue hire, and other costs.

Our Space is fully licensed, with a range of drinks packages available to suit your event. Alongside our beverage packages, café favourites — including coffee, baked goods and soft drinks — are available during café hours.
