

Student Driver and Car Policy

Students cannot go to, retrieve belongings from, get into, start up, or drive the car during school hours (8:30 a.m. - 2:30 p.m.). The only exception is on Tuesdays: with teacher permission, students may move their cars to the parking lot.

We maintain a closed campus policy. Student drivers must arrive at school on time and remain at school until the end of the day (8:30 a.m. – 2:30 p.m.). Exceptions, for things such as appointments, will only be made with both parent/guardian and teacher permission. If car trouble prevents a student from getting to school on time, he/she must notify both parents/guardians and teacher.

Student drivers may not drive other students unless given permission by both students' parents/guardians and both parties have notified the teacher.

Any violation will result in the suspension of driving privileges to and from school.

I, _____ have read the car policy and agree to abide by it.
