

Student Computer User Agreement

Rule #1 Respect the computers	Rule #2 Use internet for school
You will: <ul style="list-style-type: none">→ Care for computers respectfully→ Carry the computers responsibly with two hands→ Be gentle→ Plug in computers so they stay charged	You will: <ul style="list-style-type: none">→ Responsibly use the internet for school-related purposes only→ Use your time wisely→ Respectfully answer any teacher who asks about what assignment you are working on
You will NOT: <ul style="list-style-type: none">→ Drop them→ Bang on keys→ Smash screen closed→ Scratch screen→ Change settings	You will NOT: <ul style="list-style-type: none">→ Use the internet for non-school related purposes→ Browse the internet for anything unrelated to a school assignment

Violation of this agreement will result in a two-week probation. This means you've lost your regular privileges to use a school computer. During these two weeks you will need to either...

1. Use a computer outside of school
2. Ask to use a school computer under the direct supervision of an OCS teacher or administrator. You will be in charge of working within their schedule and will need to make an appointment.

You will still be required to complete all your schoolwork assignments during your probation.

I, _____ will respect the computers and use of the internet at school
Print Name

and I understand that if I violate this agreement, it may lead to the loss of my computer privileges and parental contact.
