## BLACK HERITAGE CELEBRATION

An estimated 30,000 Black refugees from slavery in the United States fled to Canada along the silent tracks of the Underground Railroad – a network of people who aided these refugees as they followed the North Star to freedom. One of these freedom seekers was abolitionist, preacher, and author Josiah Henson. A strong proponent of education and self-reliance, Henson relocated to Dresden, Ontario in 1841 and co-founded the British American Institute of Science and Technology with Oberlin, Ohio missionary Hiram Wilson. The settlement – known as Dawn – developed around the school. Its residents farmed, attended the Institute, and worked at sawmills, gristmills and other local industries. Some returned to the United States after emancipation was proclaimed in 1865. Others remained, contributing to the establishment of a significant Black community in this part of Ontario.

Known as “Uncle Tom” through his connection to Harriet Beecher Stowe’s 1852 anti-slavery novel, *Uncle Tom’s Cabin*, Josiah Henson was one of the most famous Canadians of his day. Henson’s celebrity raised international awareness of Canada as a haven for refugees from slavery.

“This is something that is very unique to Dresden Raceway when comparing us to other tracks in Canada,” stated [former] track announcer, Gary Patterson. “We have generations of Black families who are such a big part of our history.”

Patterson added: “The contribution that these families have made to harness racing is huge but the contribution they have made to Dresden Raceway is exponentially greater because they are local and were the building blocks of our track.”

It is said that Josiah Henson donated the land that Dresden Raceway now sits upon and he himself, owned and bred several racehorses, including his most famous Hambletonian Stallion, JOHN.

<p><b>Dresden Raceway</b>  August 5, 2024  By Nathan Bain  Twitter @NBainracing  Thank you for a fantastic 2024 racing season!  See you in 2025!</p>	<p><b>Race 6</b> Selections 1-4-5-3  <u>1 See The Delight</u>-Has been camera shy this year but she should be game with having rail control.  <u>4 Sweetest Hustle</u>-She has been racing much better recently, gets Steward back aboard.  <u>5 Rmissashlee</u>-This mare has been down on her luck but could turn things around in this class.</p>
<p><b>Race 1</b> Selections 4-1-3-5  <u>4 Rave Review</u>-Winless this season but she has been putting forward some solid efforts - top call.  <u>1 Lilly Clare</u>-This mare now takes a big dip in class and gets rail control; she will be in for a big shot.  <u>3 Miramichi David</u>-Raced better in his two latest starts, could be able to be a top three player.</p>	<p><b>Race 7</b> Selections 2-6-3-1  <u>2 Gascoigne Sundae</u>-Does his best work near or on the lead, he will get the top call with post 2.  <u>6 Sportsline</u>-Must overcome this outside post but his lifetime record is very hard to look past.  <u>3 Chief Of Staff</u>-Was very good in those two starts he raced here, will be a top three threat.</p>
<p><b>Race 2</b> Selections 1-4-3-2  <u>1 Larjon Levi</u>-This son of All Bets Off has taken his game to a new level, he gets the edge with these.  <u>4 Rise N Grind</u>-Has shown that he can grab shares at this level, should be an exactor factor here.  <u>3 Officer Cheese</u>-Nabbed his first lifetime win over this surface a month ago, one to think about here.</p>	<p><b>Race 8</b> Selections 3-2-1-5  <u>3 Dusty Lane Morgan</u>-Will now look to double up in the win column, too tough to go against.  <u>2 The Devil You Know</u>-Has been consistently good here all season, really liking his chances.  <u>1 Better Than Cash</u>-Gets the rail to work with which should help his chances, don't ignore him.</p>
<p><b>Race 3</b> Selections 4-3-2-6  <u>4 Kiss My Bet</u>-Came out victorious in both the efforts he raced here, will look to do it again.  <u>3 Dirtiest Piglet</u>-She looks to be the early speed in this race, main threat to my top choice.  <u>2 Silverclayspecial</u>-This filly now gets some major post relief, expect her to be a main player here.</p>	<p><b>Race 9</b> Selections 8-2-6-5  <u>8 Papiamento</u>-Now getting some needed class relief, he looks like the one to beat in this race.  <u>2 Senior Advisor</u>-Hasn't been racing at his best right now but gets some class and post relief.  <u>6 United Blue Chip</u>-Has been rounding up some decent shares, potential top three player.</p>
<p><b>Race 4</b> Selections 4-3-2-8  <u>4 Pebble Beach Pro</u>-Has been forced to tackle much tougher company as of late, looks good in here.  <u>3 Lime In Da Coconut</u>-This horse loves racing at Dresden, expect him to be a massive threat.  <u>2 Jays N Tigers</u>-Just got beat for the win here last week, should be able to leave with the car again.</p>	<p><b>Race 10</b> Selections 5-3-2-4  <u>5 Hot Fudge Sundae</u>-This horse has brought his best effort forward every week, top call indeed.  <u>3 Wrap And A Hooley</u>-Got that confidence building win last time, facing tougher foes now.  <u>2 Shouldaknownbetter</u>-Draws to the inside and he's always an early speed threat, worth a look.</p>
<p><b>Race 5</b> Selections 3-8-7-4  <u>3 Psycho Itch</u>-Did not punch the win ticket last time but that was her fastest mile yet, looks promising.  <u>8 Pullyourownstrings</u>-This filly most likely would've won last time without the miscue, main threat.  <u>7 Boots</u>-Won with ease in that first lifetime victory here last week, tougher task now with the post.</p>	<p><b>Race 11</b> Selections 2-8-4-1  <u>2 Reys N A Rocket</u>-She is the class of this field and draws good, this is her race to win or lose.  <u>8 Play Like Kirara</u>-Has picked up four wins here this season, she will look to be a main player.  <u>4 Style Snapshot</u>-Will look to make it two wins in a row, but this a tough bunch she faces now.</p>

On Jan 3, 2018, a local retired horseman, Jim Snelgrove, lost his battle with lung disease. Jim discovered his love of harness racing in the 70s, along side his father. He became a trainer and won his first race in September 1979 with Quick N Steady. He continued on, introducing his children to the sport and creating 3 generations of racers. During his entire career he was stabled at Dresden Raceway with some of his favourite horses, Foxy Lady, Pens N Pencils, Jate's the Name and Question. His final years before retirement were spent stabled in Barn 1, with his Uncle Fred and his son Jamie. Even after retiring he never lost his love of the track. His family and friends will hold many memories of Jim in the barn, doing what he loved, in their hearts forever.

### General Operations

Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada, the Honourable Lawrence MacAulay M.P. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

### Cancellation Policy

In the event that cancellation of races should result for any reason after four races have been run in any day's program, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, rain checks will be issued for admission and upon producing the day's Official Program at the program seller's booth, a next day's racing program will be exchanged. Under no circumstances will money be refunded.

### Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is cancelled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutuel field starts in the race, all tickets purchased on that entry or mutuel field remain valid, and the purchase price of any such ticket shall not be refunded.

### Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (h) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

### Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgement, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

### Entry or Field in an Exactor

Exactor pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutuel field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

### Daily Double & Late Double Betting

Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

### Exactor Betting

Where the exactor feature is operated, the exactor is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

### Triactor Betting

Where the triactor feature is operated, the triactor is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses to finish, in the exact order of finish, in the race on which the feature is operated.

### Pick-3 or Pick-4 Betting

The Pick-3 and Pick-4 features are betting transactions in which the purchaser of a ticket undertakes to select the winners of three or four consecutive races on which the Pick-3 or Pick-4 is scheduled to be run. The winning combination of horses constituting a winning ticket shall be those horses that finish first, in the official order of finish in each leg or feature. Where no tickets have been sold coupling horses finishing first in the official order of finish of each leg of the pool, winning tickets shall be determined in the following sequence: Pick-3: (a) the winner of two legs; (b) one winner of one leg; (c) the three horses finishing second; (d) sequentially thereafter. Pick-4: (a) the winner of three legs; (b) the winner of two legs; (c) one winner of one leg; (d) the four horses finishing second; (e) sequentially thereafter. Pick-3 or Pick-4 Scratches: Rule 11 (1). In the event a Pick-3 or Pick-4 feature ticket designates as a selection in any one or more of the races comprising the Pick-3 or Pick-4, a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in the race, the favorite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(s) occurred, will be substituted for the non-starting selection for all purposes. (2) In the event that the money bet in the win pool for (2) two or more favorites is identical, the selection identified in the lowest program number shall be substituted for the non-starting selection.

### Pick 7 Betting

The accumulated method with a split, whereby the Pick 7 feature pool is distributed according to paragraph (b) except that on a non-mandatory pay-out day, when bets are sold coupling the horse finishing first in every leg of the pool, a percentage of that day's net pool, as determined by the association and approved by the Executive Director, is carried over and accumulated with the net pool of the next Pick 7 pool in the approved schedule. Feature pool directive is approved for all nights of live racing based on a 25% payout to most number of winners per day and a 75% carryover if no 7 out of 7 winners. Clinton Raceway will offer a mandatory distribution of the pick 7 pool on September 26, 2004.

### Pari-Mutuel Deductions

In Win, Place, Show, Daily/Late Double, and Exactor, Triactor pools 18% is retained by the Association, 2.00% for Provincial Levy, 0.5% by the Ontario Government and 0.8% by the Federal Government. In Pick 4 pools 11.7% is retained by the Association, 2.00% for Provincial Levy, 0.5% by the Ontario Government and 0.8% by the Federal Government.

### Allowances

2-year-old fillies 100%; 2-year-old colts & geldings 75%; 3-year-old fillies 75%; 3-year-old colts & geldings 50%; 4-year-old mares 50%; 4-year-old horses & geldings 25%; 5-year-old mares 25%; Spayed mares and mares 6 years or older receive no allowance. In the case of a claimed horse, said horse need not necessarily increase its claiming price to be eligible to future claiming events.

### Rule 7.15

No association shall allow a person under 18 years of age to purchase or cash a ticket. For the purposes of this rule, a "ticket" is defined as a receipt or voucher that is issued by an association for one or more bets on a race or races. The association shall ensure that signs are clearly posted in all areas, or in application forms, where tickets are purchased or cashed, advising the public of the age restriction.

### Advance Notice Of New Bet Cancellation Options

The Pari-Mutuel Betting Supervision Regulations are being amended to provide the public, when authorized by an Agency Officer of the Canadian Pari-Mutuel Agency, the option to cancel or retain bets in the following situations after betting has opened. These situations are listed below:

a) when part of an entry or mutuel field is scratched; b) when there is a change in the type of racing surface; c) when the distance of the race changes; d) early bets made thirty minutes before the post time of the first race and, in every other case, before the judges or stewards, declare as official, the previous race of the card.

### Ticket Cancellation Policy

Dresden Raceway has adopted a Ticket Cancellation Policy which requires proof of identification when cancelling tickets that exceed \$200.
