Frequently Asked Questions (FAQ)

How Do I Know If I Am Eligible to Apply?

If you would like to know if you meet the admission requirements, please see the Admission Requirements for the program you are interested in applying to. We can neither consider nor assess prospective students for admission (including offering any opinion on eligibility) without a completed application package; therefore, if you choose to apply, we look forward to receiving your application with its supporting documentation.

How to Apply?

Completed Application Form, Write Personal Essay (at least one page), Send Official school transcripts, Two Letters of Recommendation, three passport-sized color photographs (2″x 2″), Standardized testing scores if applicable - please check with the admissions office for individual requirements, Pay $250 application fee (payment Options: Major Credit Card or Wire Transfer)

Can the Application Fee be Waived?

No, the application fee cannot be waived and it is non-refundable.

When Do I Apply?

We operate a year-round admission process. Admissions occur two times each year for the Winter Semester beginning in January and the Fall Semester beginning in September; New students for the Certificate, Diploma, and Electrical Engineering undergraduate programs may apply prior to any of these semesters; Winter Semester Application deadline is September 1st; Fall semester Application deadline June 1st.
