### How to apply for Vedic Studies at Tesla University:

1. Complete the application form, gather all additional required documents and email all documents to [contact@teslauniversity.education](mailto:contact@teslauniversity.education)
2. At receipt of your application form you will receive a confirmation letter from our administration office.
3. Our Administration team will get in touch with you usually within 72 hours – to advise you on any supporting documents needed for your application or answer any question(s) you may have.
4. Tesla University Recruitment team will then process your application to determine if you are eligible for the Vedic Studies program. This depending on your previous education and or work experience. An answer from our recruitment team can take between 10 – 14 working days.
5. By acceptance you will receive an official student acceptance letter from the Tesla University explaining the next steps such as tuition fee payment, & enrollment.
