

Class Dojo points

So far as a whole school we
have earned 4117 Dojo
Points!

A message from Mrs Overland

Welcome to our June edition of the newsletter. It has been lovely to see the pupils immersed in their learning linked to our science topic of space this half term. Pupils have been finding out about the planets in our solar system as well as learning about the Moon's orbit of the Earth. We will shortly be sending home the pupil's end of year reports which will provide an overview of their first full year at Woodend Farm School. We would then encourage you to attend parent and carer meetings on the week of the week of the 8th of July should you wish to discuss anything in these reports and have a final update from the class teachers on this year's progress. Along with the reports we will be informing you of your child's class teacher for September. This will be shared with pupils through social stories and some transition sessions to get to know their new classes, spaces and adults they will be working with.

I want to thank all of our parents and carers for the support they showed to the school last week during our inspection. Our pupils came in ready to show off their learning to the visitors and we were grateful for the parent surveys that were submitted.

There is still lots to fit in before the end of term as we will be incorporating end of year trip, a school sports day and some transition sessions as already mentioned. Just a reminder that the last day of term for our pupils is Tuesday 25th July.

Mrs Overland

~Calendar Dates~

5th July - NHS birthday

8th July - World Chocolate
Day

19th July - World Emoji Day

23rd July - Last Day of Term

Make sure to have a look at our social media pages where there will be more pictures and updates...

Woodend Farm School

On our return to half term we introduced a new member to Woodend Farm School...

Meet Daisy, Our newest Therapy Rabbit.

The children in Ash Class have most certainly believed & achieved throughout their Math's Lessons.

Each day the children are grouping together to share ideas, work through some tricky learning objectives and produce fantastic outcomes!

WOW Moments in Ash Class this Month are...

RF – Can now count all the way to 320 using his ten times tables.

TLB – Is able to find $\frac{1}{2}$ and $\frac{1}{4}$ of both a shape and amount!

MS – Can use his knowledge of multiples of 2,5 and 10 to answer mental math's questions!

On Thursday 20th June beech class went on a trip to Oliver's Nurseries. We loved smelling all the flowers and looking at their colors and were very lucky as they had some strawberries left so we got to pick some and share them when we got back to school.

Jack from Willow Class has been researching all things planets.

His favourite planet being Neptune.

He has found out some fantastic facts about the planet. Did you know? A day on Neptune lasts 16 hours

Over the term, Oak class have been looking at the solar system, they have all chosen a planet and researched them, they have created fact files for them, investigated their moons and found fun facts about each one. They have been working towards creating a class diorama of the solar system; creating our chosen planet out of paper mâché.

OUR SCHOOL

Kindness comes in many forms

A message from Miss Kinsville

There will be more end of term and end of year school certificates coming up, look out for those and well done to all those who have had amazing attendance over the school year.

Please remember school attendance is really important to ensure the children education and well being is maintained. Children should only be off in exceptional circumstances and for illness where necessary. For sickness, children can return to school after 48 hours of the last episode.

We are aware that there have been times when the children are not in and could be, can we ensure that this doesn't happen. The DFE are revising the school attendance guidelines and will be looking at higher fines and stricter protocols which we have no say in.

Our attendance figures up to the May half term were above the national average – well done to all.

If you have any questions about attendance, please call me on 07523 683372.

Note to Parents/Guardians

As a school we ask that any changes to our pupils existing personal details are sent over to our email address below so we can update our systems.

Thank you!

admin@woodendfarm.school

Reminder for Parents/Guardians.

With the weather changing in the next couple of days we would like to remind all parents if they could make sure your child is coming in with a hat and suncream.

Pupil Uniform

Forms for uniform will be coming home with the children soon, if you could fill in return, we will aim to get the uniform ready for the start of the new term in September.

If your child needs new school uniform please get in touch with us.
