Summer

With the temperature changing and summer just around the corner we would like to take a minute to remind all parents & guardians that if you are able to please send your child in with sunscreen and a hat.

A message from Mrs Overland

We are approaching our final half term and first full year here at Woodend Farm School.

There will be some exciting events to look forward to next half term as class teachers are planning special topic visits to support the children's learning.

We are continuing our swimming sessions next half term with Ash class starting their swimming lessons. All other classes will have their 2 PE lessons a week at school next term.

Our club provisions are continuing next term and all pupils have the option to join these at lunchtimes.

Just a quick reminder can you ensure your children's PE bags are back in school for their PE sessions after half term. These will recommence after half term and we would like all our pupils to be getting changed for their PE sessions.
