

Welcome Back!!

We have enjoyed welcoming all our pupil's back after the Easter Break!

All our staff are looking forward to a positive transition into the next half term..

A message from Mrs Overland

Welcome back to the summer term at Woodend Farm School.

We have had some exciting changes heading into this half term with the introduction of our hot meals at lunch times and swimming lessons at a local pool.

Our pupils are adjusting well to the lunch time changes and like rating the meals they have tried each day so we can ensure the menu we are providing is tasty and nutritious. We still have cold food option available for pupils who prefer this.

Our pupils have been enjoying their regular visits to the farm and noticed the new additions in the bird enclosures - there are several new species of birds to encounter. In class, our pupils' learning is based around Geography units linked to the weather this half term.

Pupils are learning about the different countries and continents of the world and comparing the typical weather patterns that occur in different places. We have also been learning about self-regulation strategies and in our citizenship lessons all about rules and roles for ourselves and people in our community.

OUR SCHOOL

Woodend Farm school
Kindness comes in many forms

Here at Woodend Farm School we Thrive to fill our school with Colour and Kindness.

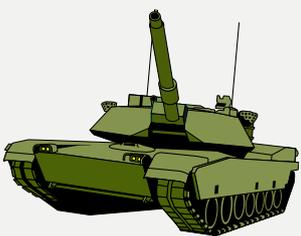

Swimming Lessons

This term has seen the start of our swimming lessons at Forrester Park Swimming Pool. Beech, Oak and Willow class have demonstrated fantastic listening with their swimming coaches and over the course of the half term will be strengthening their swimming skills and confidence in the water. Lessons will start after half term for Ash class.
