

Progression step 3 2025-26

Topic	All about me	Our Wonderful World	Once upon a time	Animal adventures	Home sweet home	To infinity and beyond
My inspiration	Create a 'Me Museum' where students bring in items that represent their interests, family, and experiences	Organize a 'World Fair' with stations representing different countries, including food, music, and cultural artifacts.	Transform the classroom into a medieval castle	Invite a local animal expert or mobile zoo to bring in live animals for observation	Set up a 'Build Your Dream Home' activity using various craft materials.	Host a 'Space Exploration Day' with activities like building rockets and simulating moon landings.
My voice	Introductions, choosing class reps, understanding pupil voice	Eco-projects, recycling, nature walks	Pupils to share their personal stories, experiences, and ideas for change	Caring for animals, playground and classroom safety	Local helpers, charity work, school pride	End-of-year review, what went well, hopes for next year
My community	Visit another SEMH provision to share about our school Trip Idea: Visit a local youth centre, council office, or school event where learners can present a short talk or digital presentation about themselves, their interests, and goals. Life Skills Focus:	Litter Picking at local park Life Skills Focus: - Communication and teamwork - Environmental responsibility - Engaging with the public	Oral History Visit to a Care Home Trip Idea: Visit a care home to interview residents about their childhood stories. Learners can record the stories and later create a digital or printed storybook to share. Life Skills Focus: - Interviewing and listening	Animal Welfare Outreach Trip Trip Idea: Visit a local animal learn about animal care and help create educational materials for the public or younger children. Life Skills Focus: - Research and responsibility - Communication and creativity	Independent Living Skills in the Community Trip Idea: Plan and carry out a real-life task such as shopping for ingredients, preparing a meal, and using public transport to get to a local café or shop. Life Skills Focus: - Budgeting and planning	Visit a planetarium Life Skills Focus: - Leadership and presentation - Using technology and tools - Engaging with younger audiences
