- Always lock car doors and do not leave valuables in your car or in site while your car is parked.
- Lock your front door (with a dead bolt), lanai door, windows and close your garage door at all times.
- Always turn on your alarm system (if you have one) when leaving your home or at night when you are home.
- Keep your outside garage door lights on during night time hours. Light sensitive devices are available at home building stores.
- If you have a trusted neighbor, let them know when you are leaving for an extended time. You can also fill out an Online Vacation House Check Request with the Lee County Sheriffs Office.
