

J&K Pollution Control Committee
Jammu/Kashmir (www.jkspcb.nic.in)

Consent Order

Consent No.:- PCC/digital/ 24044957457 of 2024

Date:- 24/09/2024

Consent To Establish / Operate (Fresh) under Section 25/26 of the Water (Prevention & Control Pollution) Act, 1974 and under section 21 of the Air (Prevention & Control of Pollution) Act, 1981, as amended is granted in favour of

Mrs. Kamla Parihar,
M/s HEALTH INN,
OM MEHTA ROAD, KISHTWAR
(Vide CMO registration no. 0101800062 dt. 21/12/2023)

for a period upto **one year from the date of issue** for Red category of Hospital as per revised classification of industrial sector, subject to the following terms and conditions in a time bound manner :

1. The consent granted by the Committee is restricted to Prevention and Control of Pollution only and shall not be treated as substitute of permission required under other laws of the land.
2. The consent is granted valid for Operate of Hospital for indoor patients with capital investment of Rs. 494.00 lakhs (as per Schedule II):

S. No.	Facility	Capacity of Beds
1	Health Care Facility (HCF)	25

Any change / enhancement in Hospital shall have to be intimated to the Committee and the HCF authority has to apply afresh for the same

3. Compliance under Water Act :

a) Trade Effluent: The Hospital authority has to maintain continuous operation of a comprehensive effluent treatment system (ETP/ STP) consisting of Primary / Secondary / Tertiary treatment so as to achieve the quality of the treated effluent to the following standards of discharge outlet

Standards of Discharge for Trade Effluent:

Compulsory Parameters	Conc. in mg/l except for pH
pH	6.5-8.5
Suspended Solids	100
BOD(3 days at 27 degree celsius)	30
Oil & Grease	10

b) Sewage Effluent - The Hospital has to install and maintain continuous operation of a comprehensive treatment system as is warranted with reference to effluent quality and operate and maintain the same continuously so as to achieve the quality to treated effluent to the following standards before disposal :-

Standards of discharge for Sewage disposal:

Parameters	Range	Conc. in mg/l except for pH
pH	between	6-9
Suspended Solids	Not to exceed	100
BOD(3 days at 27 degree celsius)	not to exceed	30

c) Water consumption & Disposal

- i. The daily quantity of water consumption shall not exceed 40 KLD.
- ii. The daily quantity of sewage effluent from the unit shall not exceed 10 KLD
- iii. Waste water generated from the unit shall be disposed through ETP.

4. Compliance under Air Act :

- a. The HCF shall comply to National Ambient Air Quality Standards as per EP Act 1986 (refer rule 3(3B)).
- b. The HCF authority has to operate stack (s) of the specification defined in various environmental laws.
- c. The HCF has to install and maintain continuous operation of a comprehensive air pollution control system including the following pollution control devices to achieve the quality of emissions within the tolerance limits as prescribed under the environment protection act 1986:

S.No.	Pollution Control Equipments
1	Exhaust Fans, Fire Extinguishers, Effluent Treatment Plant ,Pollution Control Devices as applicable under Environment Protection Act, Color coding bins, good houses, Septic Tank& Sokage Pit,

5. The Hospital Authority shall comply to the Solid Waste Management Rules 2016 dated 8-4-2016
6. Under the Noise Pollution (Regulation and Control) Rules 2000, the HCF shall take adequate measures for control of noise from its own sources within the premises so as to maintain ambient air quality standards in respect of noise to less than 75dB(A) during day time and 70 dB(A) during night time. Daytime is reckoned in between 6 am to 10 pm and night time is 10 pm to 6 am.
7. The Hospital Authority shall comply to the Plastic Waste Management Rules 2016 dated 18-3-2016.
8. Self Monitoring Schedule :
9. The Hospital Authority shall have to get the samples of emissions/effluents analysed from the laboratory of J&K PCC or laboratories approved by J&K PCC after every **six months** to the check the efficacy of Pollution Control Devices (PCDs) installed in the unit.
10. The Hospital Authority shall comply with the additional conditions as stipulated below:-
 - i. The Consent is valid for the operation of Hospital only. Any change are upgraded the Hospital, shall have to be intimated to the JKPC. For any enhancement of the above, fresh consent has to be obtained from J & K Pollution Control Committee.
 - ii. The Hospital Authority has to keep a record of the environmental data monitored regularly with regard to operation and maintenance of pollution control devices viz Air Pollution and Water Pollution Control to achieve the desired standards notified in EP Act.
 - iii. Pollution Control Devices (ETP/ECD) as contemplated to achieve the quality of effluent emission within the tolerance limits prescribed , shall have to be operational during the course of production. The effluent/emission shall not contain constituents in excess of the tolerance limits as laid down by J & K Pollution Control Committee.
 - iv. The Hospital Authority shall be liable to pay compensation in case any damage is caused to the environment.
 - v. The Hospital Authority shall abide by the directions of the Committee which will be issued from time to time. Any infringement/ violation or transgression of the statutory enactments of pollution control acts by the unit, shall be sufficient cause to prosecute the violator in conformity with relevant section of Air/Water Acts and Environment Protection Act in force.
 - vi. The Hospital be under surveillance monitoring of J & K Pollution Control Committee
 - vii. The Hospital Authority shall provide adequate arrangement for fighting the accidental leakages/discharge of any air pollutant/gas/liquid from the vessel, machinery etc. which are likely to cause fire hazard including environmental pollution.
 - viii. The Hospital Authority shall adhere to general standards terms and conditions of Water / Air Acts and compliance of environment standards as per environment protection act 1986.

- ix. The Hospital Authority should apply 60 days in advance for renewal of consent before expiry the date of this Consent Order.

Specific Conditions:-

1. The Hospital Management shall adhere to general terms and conditions of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 and ensure compliance of environment standards as per EP Act 1986 and as amendments made thereof.
2. The Hospital Management has to operate all requisite pollution control devices in the Hospital as envisaged under Bio-Medical Waste Management & Handling Rules.
3. The Hospital Management shall handover the waste generated to CBMWTSDF at Jammu.
4. The Hospital Management shall install Color coding bins with proper labeling in the hospital. Segregation of waste must be done at sources.
5. The Hospital Authority shall maintain the log book of ETP / APCDs and keep them operational during the operation of the unit in case of default the consent shall be with drawn.
6. The Hospital Authority shall carry out the monitoring of ETP / APCDs from the JKPCCLab once in a year besides SMR which shall be verified by the JKPCCLab.
7. The Hospital Authority shall submit the compliance of conditions of consent to the central office and DO office as well on half yearly basis.
8. The Hospital Authority shall remain under surveillance of the JKPCCLab regularly.
9. Periodic Inspection by Divisional Officer, PCC as per schedule for Red category units.
10. The Hospital Authority shall strictly adhere to the BMW Rules.
11. The Hospital Authority shall comply with the Hon'ble NGT direction in OA No. 438/2018 with regard to permission from Central Ground Authority / Jal Shakti Department regard to extraction.
12. Periodic Inspection by Divisional Officer, PCC as per schedule for Red category units.
13. The unit will continue to operate on Zero liquid Discharge (ZLD) policy, all the treated water shall be reused in the process again .
13. The Hospital Authority provide specific water / Air Pollution control equipments as per the conditions of EP Act, 1986 and rule made there under from time to time.
14. The Hospital Authority shall obtain necessary prior permission for providing additional control equipment with necessary specifications and operation thereof alternation or replacement well before its life come to an end or erection of new pollution control equipment.
15. The Board reserves its rights to vary all or any of the conditions in the consent, if due to any technological improvement or otherwise such variation (including the charge of any control equipment, other in whole or in part is necessary).
16. **The Hospital Authority shall take a Authorization under Bio-medical Waste Management Rules, 2016 within a period of one month from the date of issue of consent to Establish / Operate (Fresh).**

- x. In case of violation of above mentioned conditions or any public complaint the consent shall be withdraw.

* This consent is issued purely from environmental angle and the Committee shall not be responsible for any claim, counter claim, ownership, partnership etc of the unit.

(J N Sharma)
Environmental Engineer
