## AFTERS FOR THE AFTER LIFE

A reminiscent memory menu

I could murder a pie!  
served with screaming ice cream  
choice of screams and weapons

---

---

A very rare trettory tart tattan  
with a burnt orange infusion adding to the  
confusion for now

with a bisque of catch ones death

---

---

## MAIN

Mental and Lentil Tormental pie of the week

Seared at Deaths Doors with freshly baked  
heads, a separate body of hot terrine with a  
wreath of you

You can't have one thing without the other Stew  
(great for sharing)  
accompanied with black or white bread  
or a hand made seeded brown to die for!

### Choices of Sauces

Dead or a alive  
Dead and gone  
Left for dead  
or why not try  
Just gone for very long time

A Trio of  
till death us do part  
with a froth of loss, remorse and divorce  
from the body  
baked in clay oven and incinerated

A half of global enslavement stew with you in it  
only for the few  
sautéed in invisible small print with no free will  
that you missed, and died as a side dish  
Brainwashed upon a grill of generic, genetic  
modifications  
Blue print gravy good in the navy if the sea gives  
up it's dead
