

Dear Counselor,

The Crater Lake Chapter of the National Society Daughters of the American Revolution (NSDAR) was formed in 1919 and we celebrated our 100th anniversary November 2019. As we go forward into this new century, the Crater Lake Chapter of the DAR is delighted to offer a scholarship award opportunity up to \$500 to female students who are graduating or have graduated from high school within Jackson County and will be or are attending an accredited 2-year college, 4-year college or vocational/technical institution. This scholarship honors the legacy of our patriots and all of our service personnel. For over two hundred years Americans have sacrificed their lives, family members and property for the freedoms that we have today. Usually, our chapter meets at the Masonic Lodge in Medford on the first Friday of the month from September until May, which is a great opportunity to learn more about DAR and our Crater Lake Chapter. Through the NSDAR there are multiple other scholarship opportunities to explore; these can be found at dar.org and more information about our chapter can be found at craterlakedar.org.

Enclosed is a copy of the official scholarship guidelines. Please make copies and share with all eligible female students. These guidelines may be found on our local website referenced above. Only female students that have had residence in Jackson County, Oregon are eligible.

The **deadline is April 1** for the completed application, essay and supporting documents needed. Email confirmation will be given within 72 hours of receipt. If you do not receive confirmation directly, then immediately contact us via email. Finalists will be notified of date, time and location for a personal interview. Scholarship award recipient(s) will be notified by May 1.
