

## Welcome to PARADISE ALLEY

Paradise Alley is an Sherwood Park-based band featuring the music of Styx, Journey and Classic Rock.

The music will be performed in two or three 45 minute sets with a 20 minute break in between.

Paradise Alley brings the excitement of Styx and Journey to life. From the deep soulful melodies and guitar reworks of Journey & Styx, classic sing-along rock anthems, Paradise Alley conjures the sights, sounds and energy of these legendary bands at the peak of their careers.

# Paradise ALLEY

If you've never had the chance to experience Journey or Styx, then seeing Paradise Alley perform is a must! If you are an experienced rocker, then this is a trip back in time you'll want to take. The clothes, the moves, the production, Paradise Alley is the hottest classic rock show that plays hits from the past by the bands that still rule the charts today.

Paradise Alley is a show full of passion and energy with the music of two of the world's biggest bands of all time, captured LIVE onstage.
