

## Ararat Shrine Kansas City Missouri

---

*Our pledge to our members and guests.*

*With the COVID-19 pandemic we want to assure you that Ararat Shrine is committed to taking the extra measures required by the CDC, MO Department of Health and the City of Kansas City, MO standards and will adhere to all compliance orders issued so that Ararat Shrine is a safe environment for our members, staff and guests.*

We continue to carefully review the guidance provided by the Federal, State and Local agencies to minimize the risks associated with this virus. Each individual should evaluate their own health situation in connection with the latest information by public health professionals.

As of Monday, March 16, 2020 the Mayor of Kansas City, MO has prohibited gathering of more than 10 people.

**Therefore, we are temporarily halting all public events and fraternal meetings at Ararat Shrine Event Center. During this time, we are closed to the public. We will be conducting deep cleaning on all surfaces in our building.**

We do, however, extend the same recommendation to guests and employees alike: should you feel symptomatic or feverish, please follow recommended medical procedures and stay home!

Wash your hands often and stay safe!
