Competition Agreement:

The undersigned hereby attests that he/she is 18 years of age or older; and is the responsible spokesperson for the individual(s) listed elsewhere on this form and identified below by real or stage name, and herein referred to as The Act.

1. It is agreed by the spokesperson that he/she and each member of The Act, do hereby exempt from all liability, The Central Delaware Blues Society and The Blues Foundation and all persons, organizations and companies that are directly or indirectly associated with the International Blues Challenge.
2. It is further agreed by the spokesperson that he/she and each member of The Act do hereby accept full responsibility for all taxes and restrictions relating to contest prizes received by The Act; further, each member of The Act, listed on the Entry Form, here-within permits The Central Delaware Blues Society the right to make use of his/her/their names, voices, pictures, visages and other likenesses of The Act for the purpose of advertising, publishing and promoting the Blues Challenge through media, including entertainment and music syndicated radio, film and/or television shows presented or produced by The Central Delaware Blues Society or its partners or assigns. In addition, the spokesperson and each member of The Act hereby agrees that The Central Delaware Blues Society will retain total ownership of the program(s), the right to edit the program(s), the right to broadcast the program(s), the right to copyright the program(s) and the right to license others to use these rights.
3. **The winning act will be required to register online at the Blues Foundation's website for the Blues Foundation's International Blues Challenge (IBC) at least two weeks prior to the official registration deadline or may forfeit their prize monies and the right to represent The Central Delaware Blues Society at the International Blues Challenge in Memphis.** At this point the second place act will become the representative contestant. This ensures that the winning act both abides by IBC eligibility rules and shows true intent of traveling to Memphis to compete.
4. Prize monies will be paid to the winning band only, in the form of a check written to one designated representative of the act. Prize monies will be paid one week prior to the Memphis International Blues Challenge. An IRS W-9 form will be required to be filled out by the person receiving the check. Failure to meet all eligibility and appearance requirements at the International Blues Challenge will result in forfeiture of prize monies.
5. The undersigned spokesperson hereby acknowledges that each member of The Act is knowledgeable of and agreed to abide by the terms of the Official Rules and Eligibility Criteria and this document, as set forth by The Central Delaware Blues Society.

Eligibility Criteria

The winner is obligated to attend the IBC competition date of event.

- An act is limited to two consecutive appearances at the International Blues Challenge in Memphis, TN and must then sit out at least one year before being eligible to compete again. An act under the same name will not be allowed to compete three consecutive years.
- Any artist whose name has appeared on a final Handy/Blues Music Award ballot is ineligible. (All other musicians who have had peripheral and/or professional contact through performance with a Handy/Blues Music Award nominee, including but not limited to touring band members and studio musicians, are deemed eligible for the IBC).
- An individual may not compete in more than one act in any capacity.
- The competition is for Blues Bands.
- No other entry restrictions apply. This means that management contracts, booking agent contracts, recording contracts, performance contracts (even those that include regular television or radio broadcast) and nationally distributed recordings have no bearing on eligibility.

Scoring Criteria

The following scoring criteria reflect in large part the Blues Foundation recommendations as they apply to the International Blues Challenge. Categories include Talent, Blues Content, Stage Presence and Originality.

1. **Blues Content:** Everyone has his or her own interpretation of what is and is not Blues. Thus, any given three-judge panel will include members with varying opinions of Blues, covering the spectrum of Blues whenever possible, from the most traditional to soul/blues and rock/blues. Bands should pick material carefully. At the Memphis semi-finals and finals, the judges are Blues professionals, not a bar crowd, and are likely to be unimpressed with song selections that are uninspired. (Call this - with all due respect to Sir Mack Rice and Wilson Pickett - the "no Mustang Sally rule.")
2. **Vocals:** The act's vocal skills
3. **Talent:** This category is self-explanatory - the act's vocal and/or instrumental skills.

4. **Originality:** Original work is encouraged. Cover tunes are allowed but playing the recorded rendition lick by lick is discouraged; will not be looked upon favorably by the judges; and will be reflected in scoring.
5. **Stage Presence:** Over the years, the quality of talent has risen so dramatically that the IBC no longer consider this an “amateur” competition. Most contestants have performed on stage enough to know that they are not simply playing music, but putting on a show. This category rates how “sellable” a band may be.

Band Sets

Each band will have thirty (30) minutes to perform their selections. To assist The Act in their timekeeping a timecard will be held up at the 5, 3 and 1 minute marks. There is a 15-minute changeover period between sets. (The oncoming band has ten minutes to set up and the outgoing band has five minutes to tear down.) If a band exceeds the 30-minute performance time or the 15-minute changeover a penalty may apply. (See Penalty Points section).

Weighted Scoring

To reflect the relative importance of each category in the success of a band, a band’s score in each category is weighted. Raw scores for Blues Content are multiplied by four. Talent is multiplied by three. And Originality and Stage Presence are multiplied by two. The total in each category represents the Weighted Score for that category. Total possible weighted score is 110 per judge. CDBS will not use the IBC ranking calculations. The band with the highest sum of Net Weighted Scores is the winner.

Penalty Points

These items demonstrate professionalism and seriousness about the competition:

- The Act is penalized one point from its Total Weighted Score for each ten seconds that it runs overtime.
- The same penalty also applies to exceeding the 15-minute changeover period. (The oncoming band has ten minutes to set up. If the preceding band takes more than five minutes to clear the stage, the oncoming band will not be penalized.)
- Participants can lose points for non-compliance with administrative aspects of the competition.
- Online application was filled out completely, accurately and before the deadline.
- Act photo was supplied by the deadline and in the format and size requested.
- Act bio was supplied by the deadline and in the manner requested.

- Act checked in at the “Band Check-In” counter on or before the final check-in time of 12:45 on the day of the event. All bands must be checked in by 12:45, no exceptions permitted.
- Act ready to perform at proper time. In the event that a band scheduled to play in a specific slot is not able to perform for whatever reason, the Central Delaware Blues Society will have the authority to deduct a point from the band’s overall weighted score for that competition. The next band scheduled to play will be asked to step into that slot. Should that band, for whatever reason, not be able to perform when asked, the CDBS Competition Coordinator (CC) has the authority to deduct a point from that band, and so on. With that in mind, The Central Delaware Blues Society strongly suggests that after a band has met with their CC for their required check-in, they stay in the venue and are available to perform at the CC’s direction, regardless of which slot they are scheduled to play. Bands that have missed their designated slot will be allowed to perform later but will still suffer the loss of a point on the weighted score. (See: event details)

Equipment and Sets:

- The Central Delaware Blues Society will provide backline and sound. The setup on stage will include a drum kit with snare drum, amps, keyboards and microphones. Drummers should bring their own cymbals and kick pedals (Yes, you will need your cymbals, you might want to bring your own snare too) and Harmonica players CAN (but are not required) bring their own harp amp. Keyboard players should bring their own keyboards and keyboard amp.
- Musicians must include on the online registration form any additional or special equipment needed.
- All applicants must have at least one Central Delaware Blues Society member in good standing.
