International Blues Challenge (IBC) Self Produce CD Entry Form and Guidelines (EFFECTIVE 6/10/2026)

The International Blues Challenge represents the worldwide search for those Blues Bands and Solo/Duo Blues Acts ready to perform on the international stage, yet just needing that extra big break. Each Affiliate of The Blues Foundation has the right to send a band and a solo/duo act to represent its organization at the IBC. Affiliated organizations are required to stage an open, judged, live music competition during the year leading up to the IBC, with the winner of that event representing the organization in the International Blues Challenge held annually in Memphis, TN along historic Beale Street. While Affiliated Organizations are encouraged to follow The Blues Foundation's structure and rules during their local challenges, each organization is free to structure its preliminary rounds as it sees fit, if it is a true challenge between multiple acts takes place resulting in a single band and/or solo/duo act being identified. CDBS has developed a complete set of guidelines for its Local/Regional IBC Challenge, and these guidelines and any updates or additions, are made available to its members and the public via the CDBS Website, social media, newsletters and email blasts, and each entrant to the competition will be provided with a copy of the guidelines upon application to compete. Please see the [BLUES FOUNDATION IBC WEBSITE](#) for complete information on The International Blues Challenge.

Scoring Criteria (also see the CD Scoring Sheet on the IBC page at CentralDelawareBlues.com)

Judges will evaluate each submitted CD on the following characteristics. The criteria considered are listed in order of importance.

- (1) Blues Content**
- (2) Musical Performance**
- (3) Audio Quality and Production Value of the Recording**
- (4) Professionalism and Visual Appearance of Cover Art and Design**
- (5) Credits and Liner Note Information.**

Weighted Scoring (also see the CD Scoring Sheet on the IBC page at CentralDelawareBlues.com)

To reflect the relative importance of each category in the success of a band, a band’s score in each category is weighted. Raw scores for Blues Content are multiplied by 5. Musical Performance, Originality and Audio Quality are each multiplied by 4. Cover/Art Design is multiplied by three, and Credits/Liner is multiplied by 2. The total in each category represents the Weighted Score for that category. Total possible weighted score is 220 per judge. The band with the highest sum of Net Weighted Scores is the winner.

Judging

The IBC in Memphis is judged by blues professionals from across the world who have years of experience in listening to, producing, and creating blues music. In a similar manner, CDBS makes every effort to secure the most experienced, knowledgeable, and impartial judges possible from in and around the region. There will be a minimum of three (3) judges and no more than (5) judges for each of the Band, Solo/Duo, and Self-Produced CD Challenges. Where possible, the same judges will be used for each competition. Judges will remain anonymous and must sign a disclosure form (attached to these guidelines) indicating their credentials for being able to judge a Blues competition, and their relationship

to the competitors if applicable. Judges with obvious conflicts of interest such as personal or professional relationships with any act will not be seated to evaluate any of the competitors. Judges are not compensated for their services but may be given a token of appreciation for their time. CDBS aims to keep a list of qualified judges on hand in the event an alternate judge is needed. Judges will be made aware of the scoring criteria in advance. The acts will be evaluated according to the scoring criteria, not compared with the other competing CDs.

Minimum Number of CDs Required at the Local Level

There is no minimum number of CDs required for holding a CD competition.
