

HECTOR'S GIVES BACK

Wash Today, Feed a Student Tomorrow

Support a local family business — we'll support local families right back.

Last year, our customers, friends and local businesses helped us raise over \$5,000 to clear student lunch balances at Cloverdale Elementary School (District 93). This September, we're doing it again — bigger — across both of our locations for the benefit of Keeneyville District 20 and Community Consolidated School District 93, across 13 schools, with over 4500 students! Together, we can make this fundraiser a great success!

Carol Stream Location – 848 W. Army Trail Road, Carol Stream

(Army Trail & County Farm) in front of Jewel

EXPRESS Wash	Price	Gift to Schools
Star Wash	\$14	\$4 to schools
Piper Full Service	\$35	\$10 to schools

West Chicago Location – 27w230 North Ave, West Chicago

(North Ave & County Farm- 5 minutes from Carol Stream location)

TOUCHLESS Wash	Price	Gift to Schools
Deluxe Wash	\$14	\$4 to schools
Elite Hybrid Full Service	\$50	\$10 to schools

Note: Hector's matches the campaign amount built into each wash tier above. Extra donations beyond the listed price are welcome and go 100% to your school District but are not matched by Hector's.

Forgot your flyer? No problem — extra copies are available at the register at both locations.

How It Works

1. Bring this flyer to either Hector's location during September (West Chicago will be closed Mondays).
2. Choose your wash — every tier gives back!
3. We match the campaign amount dollar-for-dollar as listed above— 100% of it goes to student lunch balances in your school district 20 and the D93 Kid's Foundation, providing CCSD93 students in greatest need with meals, school supplies, and other resources for success.
4. Follow our progress online all month long as we track funds raised for each district!
