BURGUESAS

All burgers served with waffle fries

#FarmBurguesa - 11.99

The original. Double burger, American cheese, lettuce, local Roma tomato, grilled onions, pickles, and our signature 'pink sauce'--the recipe is our family secret. Buen provecho.

#Inferno - 9.99

Virginia is for spicy lovers. This single burger features pepper-jack cheese, our own diablo sauce, lettuce, onion rings, and a fresh chile mix toreado - plus ranch on the side.

#Toston - 9.99

This is one burger you won't get anywhere else. Tostones are double fried plantain patties. We take a single burger, pepper-jack cheese, lettuce, tomato, and our famous cilantro-lime sauce and sandwich it between two freshly made tostones.

#Caprese - 9.99

We've done a FarmBurguesa twist on an Italian classic. This single burger has fresh mozzarella, Roma tomatoes, basil pesto, fresh basil, olive oil, and balsamic vinegar glaze. It's like visiting Italy without leaving Vinton.

#Macho Cowboy - 11.99

This burger isn't for the faint of heart. Two burger patties, cheddar cheese, onion rings, maple bacon, and BBQ sauce. Yee haw.

#Colombiana - 9.99

Representing our home country. It's a single burger, mozzarella cheese, bacon, lettuce, green tomatoes, grilled onions, garlic sauce, pineapple sauce, and 'pink sauce', plus crumbled potato chips (the Colombian way).

#Santa Fe - 9.99

We didn't forget our vegetarian friends. Our single veggie burger is topped with Swiss cheese, Roma tomatoes, onions, cucumbers, and our cilantro-lime sauce. Veggie lovers unite!

#Tres Quesos - 7.99

You can't go wrong with more cheese. This single burger features three of our locally sourced cheeses: mozzarella, cheddar, and Swiss.
