

Congratulatory Message

Dear friend,

With the approach of September 7, 2020, I offer my congratulation to the 40th founding anniversary of the Asian Regional Institute of the Juche Idea under the International Institute of the Juche Idea, under your leadership.

Joining different activities, I came to know your energy and enthusiasm for the defence of the Juche idea and the world peace.

I expect that you would lead longer the van of the ARIJI. And I am looking forward to have a frequent meeting with you for the defence of our common ideal.

Best wishes.
