Honorary Chairman, Bangladesh Institute of Juche Idea

I am writing this brief article on the 75th founding anniversary of the Workers' Party of Korea (WPK) and 40th founding anniversary of Asian Regional Institute of Juche Idea (ARIJI), The WPK is the first Juche-oriented political and revolutionary party that has adopted Kimilsungism-Kimjongilism as its political and philosophical ideology. On the other hand, the ARIJI has taken its prime task to disseminate Kimilsungism-Kimjongilism in the Asian Regional countries.

The DPR Korea is the wonder of the world that I mentioned in my previous articles. Despite economic sanctions imposed by the imperialist countries on DPR Korea, the country is advancing forward with great pace under the wise and sagacious leadership Of Marshal Kim Jong Un, the supreme leader of the Korean people. The country has achieved tremendous successes in all fields of development. It has been possible due to correct leadership of WPK that applies Kimilsungism-Kimjongilism thoroughly in the revolutionary and construction works. This phenomenon proves the fidelity and correctness of Kimilsungism-Kimjongilism.

Why is Kimilsungism-Kimjongilism the most revolutionary ideology of our times? The answer is it defines the inherent characters and demands of the present world correctly which the other existing ideologies failed to define.

Kimilsungism-Kimjongilism integrated and reflected correctly the requirements of a new high stage of developing history in the protracted struggle of the popular masses for independence, thus being the great revolutionary ideology representative of the Juche era.

Kimilsungism-Kimjongilism gives correct explanation of all problems arising in the revolutionary struggle and work of construction. It guides the revolutionary working

people how to overcome these problems in order to achieve victory in the revolutionary struggle.

Kimilsungism-Kimjongilism also clarifies essential superiority of socialism, inevitability of its victory and law of its building and illuminates scientifically the strategy and tactics for the building of a powerful socialist country, thus providing the correct way to consummate the cause of socialism with success. It also indicates that the revolutionary and progressive people will eventually succeed to build a new society throughout the world by defeating all reactionary forces.

Thanks to Marshal Kim Jong Un for his relentless efforts to undertake Kimilsungism-Kimjongilism as the revolutionary and political ideology of the state.

We sincerely believe that on the occasion of 75th founding anniversary of WPK the country will be attached more firmly with Kimilsungism-Kimjongilism in order to achieve more successes in the revolutionary struggle and work of construction.

In conclusion I called upon members ARIJI and other Juche-oriented organizations to study in depth Kimilsungism-Kimjongilism and disseminate it in their respective countries with a view to achieve an independent society free from exploitation, subjugation and oppression.

Long live Kimilsungism-Kimjongilism.

Long live Marshal Kim Jong Un

Long live DPR Korea
