

Respected General Secretary Kim Jong Un Receives Letter from Participants in International Seminar

Pyongyang, September 7 (KCNA) -- The respected Comrade **Kim Jong Un** received a letter from the participants in the international seminar on "Independence, Sovereignty and Social Development" on Sept. 3.

Noting that the DPRK has turned into a modern, developed independent and sovereign state and into a socialist state with tremendous self-defensive capabilities including nuclear force, which the imperialists no longer dare to attack, in a short span of time, a remarkable success highlighted in the international arena, the letter said it is the fruits of the Juche idea.

The DPRK's experience serves as a good example to the world people's struggle for ending all forms of domination and realizing genuine independence, the letter stressed, adding:

The Juche idea is now recognized as the guiding idea for the popular masses struggling for liberation, sovereignty, independence and socialism. Only when they embody the Juche idea, they can build and defend their independent and sovereign state in conformity with their own demand and interests without depending on others, and contribute to building an independent world.

The world attention on the man-centered Juche idea, whose core is independence, and enthusiasm to study it are growing stronger day by day, and independence is the lifeblood of the popular masses, country and nation.

The participants in the international seminar and followers of the Juche idea across the world extend support and solidarity to the Korean people in their cause for independence, sovereignty and social development, being convinced that the Korean people would achieve greater successes in building a powerful socialist country under the leadership of the respected General Secretary **Kim Jong Un**.
