The respected leader **Kim Jong Un** said:

“We should hold the great General Kim Jong Il in high esteem as the eternal leader of our Party and people and add lasting brilliance to his revolutionary career and immortal revolutionary exploits.”

Chairman **Kim Jong Il** is the eternal sun of Juche who illuminated the road ahead of the country and the revolution with his outstanding revolutionary ideology.

History of shaping out destiny of a country and nation is, in essence, the history of the struggle to apply the leader’s guiding ideology, and the greatness of the leader is precisely that of the guiding ideology.

Leader **Kim Jong Il**’s revolutionary ideology is an integral system of the idea, theory and method of Juche that he inherited perfectly the Juche idea founded by President Kim Il Sung and developed it as required by the era and the developing revolution. **Kim Jong Il**’s revolutionary ideology is the idea of independence that considers the popular masses’ independence as life and soul and defends and realizes it, the encyclopedic revolutionary idea that gives scientific explanations to all problems arising in the revolution and construction and the practical weapon, the powerful treasure sword for the revolutionary struggle that is applied and proved in the revolutionary practice.

The ideological and theoretical activities of leader **Kim Jong Il**, who defined and systematized the President Kim Il Sung’s idea of giving importance to force of arms, the idea of giving importance to military affairs as required by the era of fierce struggle against imperialism and clarified orientations and ways for the accomplishment of the revolutionary cause of Juche including the idea of building the Juche-oriented revolutionary party, the idea of achieving single-hearted unity and the theory on the building of a powerful country, were a fundamental factor that enabled the Workers’ Party of Korea and the DPRK people to win one victory after another along the orbit of Juche while daringly blazing the trail of the history.

Through not only the solemn reality of Juche Korea vigorously advancing along the road of independence and justice, peace and prosperity but the dynamic trend of the era, the DPRK people and humankind fully realize the truthfulness and viability of leader **Kim Jong Il**’s revolutionary ideology.

The revolutionary ideology of the leader **Kim Jong Il** reflects the might of truth, the inevitable requirements of history and the unanimous will of the Workers’ Party of Korea and the Korean people, thus becoming Kimilsungism-Kimjongilism, the guiding ideology.

Kim Jong Il is great leader of the nation who encouraged the struggle for a final victory in the building of a powerful country of Juche with his immortal exploits of patriotism.

Leader **Kim Jong Il** had cherished a far-reaching aim to demonstrate the DPRK’s dignity to the world already in his teens and did everything he could do in his life for the everlasting prosperity of the nation with his ardent love for and devotion to the country and the people.

His patriotic exploits are the incomparably huge and infinite in term of their abundance and innovative strength. The indomitable revolutionary spirit and ever-victorious strategy unaware of impossibility in the worst adversity are compressed, experiences of self-reliance making progress and leap forward in all fields of politics and economy, military affairs and culture are comprehended, and the outstanding leadership art of leading the entire people to victory is associated, in leader **Kim Jong II**'s patriotic exploits.

Thanks to his patriotic exploits, Korean people won a great victory in the unprecedented campaign in defence of socialism and the DPRK fully displayed its dignity and might as the socialist Korea of Juche.

The DPRK is the most dignified country of the people, the country of single-hearted unity where a monolithic ideology has been established, a miraculous country that built the independent national economy and the self-defence and a promising country whose future is bright. These are the true picture of Juche Korea built and bequeathed by leader **Kim Jong II** as an everlasting legacy.

Today, the Workers' Party of Korea which has the leader **Kim Jong Un** as the General Secretary, its top post in high esteem, invariably maintains and further strongly displays in a new and high level its revolutionary original nature and popular character as the Party which is struggling for translating the people's demands and interests to reality upholding a banner of socialism and as the one which takes responsibility for and care of destiny of the people to the end and makes selfless, devoted efforts for the good of the people.

Kim Jong Un, who formulated the ideas of President **Kim Il Sung** and leader **Kim Jong II** as Kimilsungism and Kimjongillism and gave unique clarification to its essence as people-first idea, visits wherever people live. His field guidance covers not only factories, farms, fishing farms, scientific research institutions, construction sites, schools, hospitals but also baby homes, so there is no limit for his field guidance.

The DPRK is changing its looks in a rapid speed under the leadership of **Kim Jong Un**, possessed of spirit of making selfless, devoted efforts for the good of the people in which a star in the heaven must be plucked down if the people want, there could not be satisfaction in the work for the people and serve for the people all day and night. There has been the increase of prodctions in all sectors of the national economy by dint of self-reliance, thereby the people's living standard is being promoted. The bases of light industry and commercial and service institutions have been remodelled and modernized and the admirable facilities for cultural and emotional life of the people are being built throughout the country.

Mongolian progressive people, who love and respect the Korean people, extend ardent congratulations and noble respect to the General Secretary **Kim Jong Un** in honor of the 80th birthday of the great leader **Kim Jong II**.
