Sonia Hidalgo: Tarot: The Hero's Journey

May 3–27, 2025 | Miami International Fine Arts (MIFA)

Opening Reception: Saturday, May 3, 2025 | 6:00 PM – 8:00 PM

Miami, FL – Miami International Fine Arts (MIFA) is proud to present *Tarot: The Hero's Journey*, a solo exhibition by multidisciplinary artist Sonia Hidalgo. This striking new body of work, on view from May 3 to 27, 2025, offers a deeply introspective journey through the realms of spirituality, archetypal symbolism, and the human psyche.

Inspired by the 22 Major Arcana of the tarot, Hidalgo's mixed media paintings transcend simple representation. Instead, each piece serves as an energetic portal into the collective unconscious—visual meditations on transformation, duality, and the alchemical process of becoming.

Using layers of color, texture, and symbolism, Hidalgo crafts a visual language that mirrors the alchemist's journey: the evolution from base to refined, darkness to light, ignorance to self-awareness. Her work becomes a powerful call to viewers to confront their own personal mythology and participate in an inward transformation.

"*Tarot: The Hero's Journey*," is not just an exhibition—it is an invitation. Through her compelling synthesis of intuitive painting and ancient mysticism, Sonia Hidalgo guides viewers through an odyssey of introspection and renewal, celebrating the human spirit's boundless capacity for growth, healing, and transcendence.
