"Nature's Impressions: Three MIFA Printmaking Alumni" – Celebrating MIFA 5th anniversary

Miami, FL – Miami International Fine Arts (MIFA) is delighted to announce the annual printmaking exhibition, "Nature's Impressions: Three MIFA Printmaking Alumni," curated by Helio Salcedo. This exhibition will run from August 8th to August 29th, 2024, with an opening reception on Thursday, August 8th, from 6 to 9 PM.

"Nature's Impressions" showcases the exceptional work of Astrid Fredlander, Patricia Perez, and Charly Silva, whose artistic visions are deeply rooted in the natural world. Through their mastery of printmaking techniques, these talented alumni bring to life the intricate beauty of birds, plants, and the environment, creating a vivid dialogue between art and nature.

This exhibition highlights the unique contributions of Fredlander, Perez, and Silva to the art of printmaking, celebrating their ability to capture the essence of nature through detailed and expressive prints. Join us in honoring these artists and exploring the dynamic interplay between their work and the natural world.
