Alchemical Codes: From Raw to Sublime

Curated by Marco Caridad

Miami, FL – Miami International Fine Arts (MIFA) proudly presents *Alchemical Codes: From Raw to Sublime*, an immersive group exhibition by “The Abstract Elements Art Collective.” Curated by Marco Caridad, this thought-provoking show runs from December 4-20, 2024, with an opening reception on Wednesday, December 4th, from 6 to 9 PM.

This exhibition delves into the transformative power of art as an alchemical process, offering a space where creation becomes a tool for self-healing, identity exploration, and cultural reflection. Featuring the works of Keri Darlington, Monica Diaz, Dennis Hood, Mark Snedeker, Michael Silata, Diane Stapleton, and Genna Sweetnam, the show invites viewers to experience the deeply personal and dynamic journeys of these talented artists.

Through abstraction, the collective navigates their own transformations, revealing hidden layers of identity and meaning. Utilizing an interplay of colors, shapes, textures, and immersive atmospheres, *Alchemical Codes* explores the intersections of culture, memory, and personal experience. Each piece embodies the essence of transformation, connecting viewers to the raw and sublime nature of artistic creation.
