"Mud, Fire, and the Alchemy of Faith: Unveil the Sacred in Milena Martinez Pedrosa's Ceramic Installations"

Miami, FL – Miami International Fine Arts (MIFA) is thrilled to announce *Mud, Fire, and the Alchemy of Faith*, an immersive sculptural exhibition by renowned artist Milena Martinez Pedrosa. Running from November 7th to November 27th, 2024, the exhibition invites viewers to experience the profound transformation of raw clay into powerful metaphors for faith and spiritual growth. The opening reception will take place on Thursday, November 7th, from 6 to 9 PM at MIFA's Room D.

Curated by the esteemed team at the Museum of Contemporary Arts of the Americas, this exhibition features three stunning ceramic installations that delve into the sacredness of nature and the spiritual journey. Martinez Pedrosa's work reveals the alchemy that transforms earth into art, just as fire tempers both clay and the human spirit. Her installation *"...until I come undone"* (2023), composed of ceramic, feathers, wood, stone, natural fibers, and animal teeth, showcases her exploration of the human soul's unraveling and reconstruction in the presence of spiritual forces.
