

## Major Doctrines of The Original Faith as Described in the Bible

### 1. There Is Only One Elohim (Power Over All Realities)

This Power is the First (Rishown or Alpha) Reality and the only One that literally exists without a beginning and that can never end. Elohim is Spirit, the One and absolute First Reality; not a unit of three divine beings (trinity) or a family of Father and Son. However, He does have families as described below. Besides being endless in time, this most unique Living Power literally has no end in magnitude. Elohim lives without a need to breath, eat, or consumption of energy or any substance. In fact, Elohim is the Source and Sanctuary of all wisdom, knowledge, power, virtues and, life. The Power is not a human like being but is Biblically described as “*The All*.” As such Elohim alone has the rightful Holy Name of הַיְוָה (Hay Vav Hay Yud) “*Was, Is, Will Be*” or more plainly; *The Eternal*. He is the Father of Spirits, of Lights, and of every family in heaven and on earth.

### 2. His Creation and its Purpose

Elohim directly generated a *Beginning* by *His Spirit* and *Logos* in which to synthesize all subsequent realities. In this beginning He created everything good; all of space, light, and the universe, all living and nonliving energies, matter; the earth and all that it initially contained. Therein, He created spirit beings known as *Sons of Elohim* (angels/stellar beings) to become His *heavenly family* and created Adam and *Sons of Adam* (human beings) to become His *earthly family*; all by *covenant (contract)*. The entire creation was accomplished by His Spirit and Logos and sustained within the Logos. Being presently the All, Elohim created everything in order to become the “*All in all*.” He will achieve this at a set future time, by indwelling and uniting the cooperative heavenly and the earthly families to further improve and partake of their experiences and unobstructed development. Again, all this is being done by covenant with both stellar and earthly beings who have and will agree. Then, Elohim Who is now the All will have become the All in all; His purpose for creation.

### 3. Elohim Interacts with His Creation as the Logos and as Spirit

Elohim communicates and interact with the creation by *His Spirit*. The Spirit is His invisible and inaudible presence by which He inspires and empowers people internally to proclaim His message, accomplish His will and many great phenomena on earth. The *Logos* is the Spirit of Elohim manifesting visibly and or audibly to reveal His presence, will, or message. The Logos was the One by Whom, in Whom and for Whom all things were created. The Bible teaches that the Logos *visited* earth *as* the “*Angel of Elohim*” also called the “*Angel of His Presence*” often resembling a magnificent being of light and sometimes resembling a regular human being. In either likeness, He visited earth to instruct and establish individuals, societies and nations for His purpose. For one unique mission on earth, the Logos came to earth in a humanlike body formed by the Spirit and birthed by a virtuous virgin Jew named Miriam. The Bible states that He is *The Beginning* or Genesis of all creation, the *Firstborn* of every creature; the *Uniquely Born Son of Elohim*, and *The Son of Man*. So, Elohim gave His Son a Name above all names; *Yeshua* (Jesus) the Anointed (*Messiah/Christ*) of Elohim.

### 4. His Salvation (Yeshua)

Evidently, our planet is plagued with insurmountable problems that could destroy all life on earth; most of which being caused by us human beings. However, the Bible tells us the problems originated from a high-ranking stellar being known today as satan or the adversary. He rejected Elohim’s contractual government and infected mankind with his own destructive ideologies and ways. The Bible also reveals that Elohim planned every iota of space and the universe before creating anything and foresaw every issue that would arise to obstruct His objective. He designed and implemented an infallible solution before establishing the

“Yeshua said “I will build my congregation and the gates of hell will not prevail against it” (Matthew 16:18).

cosmic foundations of the universe. That solution is none other than the Son of Man called *Yeshua, the Messiah*. The Logos came to earth as a human being to save mankind and solve the world's problems by covenant; the unique mission. To do this, He personally and strategically started by teaching people in the land of Canaan (Israel) to stop doing evil, to believe the Good News of Elohim's Government, and to be immersed in water for the remission of their sins (evil deeds). He proved He was the Messiah by doing great miracles such as; turning water to wine, walking on water, healing the sick, delivering those possessed by rogue spirits, and reviving many who died. He also trained many disciples and selected twelve of them, one for each tribe of Israel to teach Israel and make disciples in His Name. As He said, "I will build my congregation, and the gates of hell shall not prevail against it" (Matthew 16:18). Yeshua informed them that He would go away to prepare a divine place for them and would come back so all His people, Israelite and non-Israelite, could be with Him forever. He also told them He would allow wicked rulers of the world to kill Him and that He would rise to life after three days.

To ratify the covenant, Yeshua sacrificially allowed evil leaders of Israel and of the Roman empire to arrest, brutally abuse Him during Passover, and later to kill Him by crucifixion. By this, His death would atone for all the past and future evils of all those who accept His covenant. Wonderfully, Yeshua had the power to come back to life since He is the Son of Elohim in human flesh. Although His dead body was left in the tomb for three days and three nights, the Spirit returned to the body raising Yeshua to life as the First fruits from the dead and was seen on that very Day of First fruits. Then leaving the tomb and planet earth, He ascended bodily and returned to Elohim, His Father, on behalf of every human being that accept the Divine covenant. He then returned to earth the same day and gave His *Holy (Set Apart) Spirit* to His disciples and further trained them for 40 days. He commissioned them to teach Israel and all nations everything He taught them and to baptize everyone that accepts His covenant for His Holy Spirit to dwell in them. After the 40 days, He returned to Elohim, as Savior and Judge of all creation to intercede for His Called-out ones and bring about events that will transform the governments of this world into the kingdoms of Elohim.

## **5. The Holy Spirit**

Elohim created so He can become the All in all. His Spirit is the means by which He indwells and will indwell all heavenly beings and human beings that accept His covenant. The Bible states "I will give you a new heart and put a new spirit within you; I will remove your heart of stone and give you a heart of flesh. And I will put *My Spirit* within you and *cause you* to walk in My statutes and to *carefully observe My ordinances*" (Ezekiel 36:26-27). The Holy Spirit is literally Elohim's Spirit that He sets apart as a *gift* and *seal of citizenship* in His kingdom for all who accept His covenant (2 Corinthians 1:22). Also, the Apostle Paul stated "In Him you also trusted, after you heard the word of truth, the gospel of your salvation; in Whom also, having believed, you were sealed with the Holy Spirit of promise, Who is the *guarantee* of *our inheritance* until the redemption of the purchased possession, to the praise of His glory" (Ephesians 1:13-14). As Holy Spirit, Elohim will live in and guide them onto everlasting life and unhampered prosperous and joy filled growth. Thus, this Divine gift is also His means to guarantee all contracted beings remain faithful to His life-giving Way forever. Without the indwelling of Elohim's Holy Spirit, all angels and people would eventually become corrupt over time no matter how good they are. Therefore, it is absolutely essential for us to have the indwelling of His Holy Spirit.

Be aware, the All Wise Elohim, *only gives His gift of Holy Spirit to* people who have truly repented, believed the Gospel, and are baptized. This is an absolute New Covenant requirement that must be met before any can receive the Holy Spirit. Once a person has done that, at the right time Messiah will give that *sincere repented and devoted* person, like Cornelius and others, His Holy Spirit. Some confuse the presence of the Spirit and or working of the Spirit with them with the literal indwelling of the Holy Spirit. Not so; remember the twelve disciples did many incredible miracles by the Spirit although they did not yet have the

"Yeshua said "I will build my congregation and the gates of hell will not prevail against it" (Matthew 16:18).

indwelling of the Holy Spirit. In fact, Messiah gave them the Holy Spirit on the Day of the Wave Sheaf, which manifested wonderfully in them 50 days later; on Pentecost. So, Messiah has never and will never give His Holy Spirit to those who have not genuinely complied with the *repentance, faith, and baptism requirement* of the New Covenant. A quick note here, some also confuse the human act of repentance with the Spirit empowered growth of overcoming. Repentance is an act every regular human being has the natural ability to do. That is why Elohim requires all to repent. However, the ability to *overcome sin cannot be done naturally* as our nature is inherently corrupt. Thus, overcoming can *only* take place *after* a person has *received* the Holy Spirit. The Holy Spirit will *enable* a person to *forsake every* sin, addiction, demon possession, and anything else contrary to sound doctrine; which is overcoming. Thus, again, the Holy Spirit is *absolutely vital for salvation*.

## **6. Organization of The Congregation of Elohim**

Christ said, “I will build my congregation and the gates of hell will not prevail against it.” The congregation (Kahal/Ecclesia/Called-Out ones), commonly called the *Church*, consist of repentant people selected by Elohim from all over the world and generations because of their love for Him and acceptance of His New Covenant in the Name of Yeshua. No matter their location, nationality, or race they love and serve each other as the human family of Elohim in Christ. Collectively and individually, all members worship (serve) Elohim by circumspectly keeping the divine covenant and proclaiming the Good News of Elohim by faith and demonstrated power of the Holy Spirit as given by Yeshua, the Divine Savior and Judge of all. *Unlike false churches* that celebrate holidays originating from *paganism such as Christmas and Easter*, the Called-Out ones observe only the *Holy Days set by Elohim as found in the Bible* such as the *Seventh Day Sabbath, Renewals/New Months, Passover* and other *High Holy Days*.

As an organization, members do not devise their own goals and missions for the congregation. They adhere and function to achieve the exact goals prescribed by Christ. He alone is in charge, and all congregations are His faithful employees and representatives of His interstellar government. A true congregation does exactly and only what Yeshua had already set forth. No matter their location, the *prescribed goal* is for all to work in the bond of love, preach His Gospel to all willing to hear, baptize repentant adherents, and edify the congregations; all by the power of the Holy Spirit. Members can serve as elders, pastors, deacons and, other management roles only if and when so selected by the Holy Spirit. Those divinely chosen are recognized by the abundant evidence of the divine fruit and power of the Holy Spirit in their lives. So, united in Yeshua, the members of the congregation of Elohim are all His beloved and faithful co-workers.

With this and other teachings such as “you shall know them by their fruits” real Called-Out Ones are not left deceived and robbed by false ministers who are self-appointed or selected by bogus religious organizations masking as Christian. Rather, they are divinely guided and cared for by the Holy Spirit and are united as a body for growth in the knowledge of Elohim and Yeshua unto everlasting life. Again, they do not follow their own dreams, goals and, visions for what a congregation should be or how it should function. True congregations of Elohim greatly honor that Yeshua had already divinely established the purposes for His congregation and exactly how it must function. The true congregations of Elohim follow strictly and zealously the Messiah’s agenda; not their own. Of course, He lovingly permits each member to set *personal goals* so long as their goals *don’t conflict* with those of their divine employment.

## **7. The Kingdom of Heaven**

### *a. Yeshua’s Return, the First Resurrection, and Millennial Reign on Earth*

Elohim has given all authority and judgement over the entire creation to Yeshua. When He returned to heaven to be with Elohim His Father, He began ruling in heaven over the heavens and earth. By His will or permission, authorities on earth acted, succeeded and or failed to this very day until all His Father’s will is

“Yeshua said “I will build my congregation and the gates of hell will not prevail against it” (Matthew 16:18).

accomplished. During the time of earth's final secular government, Yeshua will literally return to establish and rule the Kingdom of Heaven (Interstellar Government) on this present Earth. He will convince all cooperative nations to adopt His Way of Life by a series of unprecedented world changing events. The kingdoms of this world will become the Kingdoms of Elohim and His Messiah. Sadly, Yeshua will destroy all earthly authorities, infrastructures, military forces that refuse to cease from malicious practices that destroys life and the environment. He will return to earth from heaven to incarcerate the devil, resurrect His Called-Out ones who have already died, transform those still living and, give them immortality. They will then become fully born-again immortal progenies of Elohim; no longer regular human beings. This is the First Resurrection. Yeshua will rule the entire earth as King over all other remaining governments and people on earth. His immortal ones will participate with Him to bring uninterrupted abundant justice, peace, life, wholeness, happiness and, advancement to every nation on earth for a period of 1,000 years. Yeshua will not allow any of the regular people to die so long as they cooperate. During that period, human being will experience the joyful Way of life and learn how to perpetuate it throughout their lives. Those that break the law will go through a process of correction up to 100 years the most. At that point, if they refuse to live righteously, they will die.

***b. Final Judgement and General Resurrection***

After those years, Yeshua will prove satan's wicked character and expose malicious people among the nations by permitting satan's release. Satan will waste no time to deceive the evil people among the nations to rebel and attack the righteous people among them. Through divine judgment, He will kill the malicious people, permanently eradicate satan in a divine lake of fire and, save the righteous humans. Next, He will resurrect all who were not raised in the First Resurrection and completely dissolve this earth and the sky. Yeshua will manifest a venue where He will pronounce whether or not those raised will be granted everlasting life or destroyed based on His record of their actions. Those not found in His Record of Life, due to their refusal to stop doing evil, will be forever destroyed in the lake of fire. All enemies or causes of death and that which pertains to them will be forever destroyed by that divine fire. Finally, death will be forever destroyed in the lake of fire. Those humans whose names were in the Record of Life will undergo a process of regeneration unto everlasting life.

***c. Then New Heavens and New Earth***

After this final judgment of the world, Elohim will create new heavens and earth for all His people to live in as everlasting and glorious divine beings. He will bring a heavenly city, called New Jerusalem (City of Peace), from heaven to the new earth for them. Yeshua said many years ago, that He would prepare a place for His people so that all His people may be with Him forever. The heavenly New Jerusalem will be a big part of that. All the born-again people from the First Resurrection and general resurrection will enjoy it and all the wonders of the New Heavens and earth. When all righteous human beings from all generations are made equal to and united with the interstellar beings, Elohim's purpose of becoming the All in all will be accomplished.

***Conclusion***

The original faith is amazing to say the least and may seem too good to be true. However, Elohim the Father of every family in heaven and earth cannot lie. He created everything to become the All in all. Before creating the universe, He foresaw everything that would happen and the cost of getting it all done right - the suffering of the righteous and especially the death of His Uniquely Born Son, Yeshua. So, He created the universe with every part and intervention necessary set to actuate at specific periods and situations to get it all done just as He wills. This includes making sure we know He alone Is Elohim (Authority/Power Over All), created everything for a great purpose, we need to be righteous and, live by faith in Him. We need to love Yeshua as Savior and Judge so to receive His Holy Spirit. Furthermore, His Holy Spirit is the guarantee

“Yeshua said “I will build my congregation and the gates of hell will not prevail against it” (Matthew 16:18).

that we will live and do righteous works in His faith and love to our last breath. We must earnestly repent and pray to receive the Holy Spirit. Lastly, we can be sure that Yeshua will destroy all that causes death as well as death itself and, give the righteous everlasting life to enjoy in the future new heavens and earth forever. Elohim will indeed do all that He has purposed to do. Let us then join Him in His wonderful purpose and work of righteousness and life through Yeshua His Son. As stated in 1Corinthians 15:58, “Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.”
