# THE CRAFT OF CREATING AN INFLUENCE

**Shival Santos provides a captivating experience tailored to seamlessly enhance high-level corporate events, delivering emotional resonance, enchanting impact, and a genuine connection with the audience.**

Stage versatility: Ranging from close-up magic at cocktail gatherings and receptions to stage performances for galas and awards dinners, each format is tailored to align with the event's flow and style.

- Bilingual communication (English/Spanish): Optimal for international audiences and multicultural teams, guaranteeing inclusion and fluency consistently.
- Corporate focus: The content is consistent with the brand's tone, reinforcing values such as innovation, excellence, and human connection. It avoids childish gimmicks and inappropriate humor.
- Emotional storytelling and sophisticated humor: Each presentation is crafted to evoke memorable experiences, refined laughter, and a lasting sense of wonder that endures well beyond the event.
- Personalized experience: Shival collaborates closely with the organizing team to tailor every aspect, from the script to the music, logos, and products, customizing the experience to align with the client's profile and the event's objectives when necessary.
- **Enduring influence: Participants not only appreciate a performance but also depart with a narrative, an emotion, and an experience that enhances their perception of the host brand.**

# STAGE SHOW

This event is crafted to elevate a corporate gathering into an enchanting show experience in Las Vegas.

A dynamic and sophisticated proposal intricately linked to its Mexican heritage, merging visual enchantment, compelling narratives, and impactful moments that seize attention from the very outset.

Featuring a dynamic and adaptable stage design, the performance incorporates several large-format illusions, interactive mentalism, audience engagement, and visual magic utilizing a variety of objects.

## Tailored to the event profile:

**Integration of essential products or figures (such as hosts or executives)**

**Adaptation of the script (phrases, objectives, or slogans), along with jingles and tone tailored to the audience (age, language, culture).**

- **Spanish, English, or bilingual format.**

**The outcome is a performance characterized by a Las Vegas aesthetic infused with a Latin essence.**

**Exciting, sophisticated, and unforgettable, perfect for galas, conventions, awards ceremonies, or corporate celebrations that aim to captivate and astonish their audience.**

## Aspects of the performance

**Large-format visual illusions:** The emergence of substantial objects, theatrical effects, performers, dancers, and startling moments that evoke the "wow!" response.

**Emotional narrative:** Tales that inspire, featuring gestures and symbols that reflect Mexican culture and the strength of human connection.

**Corporate mentalism:** Segments designed to captivate the audience, unveil thoughts, anticipate decisions, and reinforce the event or company's message.

**Active audience engagement:** Instances crafted to ensure attendees feel included in the performance, without discomfort or unwarranted exposure.

**Appearance of hosts or key figures:** The potential to incorporate masters of ceremonies, executives, or special guests into enchanting moments.
