## TOWNSHIP ASSESSOR & ASSESSING DATA ACCESS POLICY

### Direct access to the Assessor of Record is as follows:

Taxpayer inquiries will be responded to within 24 hours during normal business hours. Calls placed on a weekend will be returned on Monday. If a response to the inquiry will take longer than the 7 days, the Assessor will give the Taxpayer a reason as to why and an estimate on how long a response will take.

A Taxpayer may always set up an appointment with the **Assessor, Debra Johnson**, by calling **989-350-8590**, or email [wwassessor@yahoo.com](mailto:wwassessor@yahoo.com).

Assessing records may be accessed by any taxpayer via email request, if they are NOT a Taxpayer and want more than one (1) record, they will be directed to the BSA website at [www.bsaonline.com](http://www.bsaonline.com).

Any questions concerning valuation may always be brought to the Assessor before the yearly March Board of Review, OR anytime via phone call or email message.

The Township will make information available online Assessment services, forms, yearly Assessing Land Value Studies, ECF (economic condition factors) and support documentation.
