

Picture Week

Picture week is May 2nd – 5th! McCoy's Photography will be doing our pictures again this year. Money for pictures will be due to McCoy's at the time the pictures are taken. All tap and jazz classes will wear tan tights and all ballet classes will wear pink tights. DownPatt is selling recital tights at the studio for \$10.00 for youth and \$12.00 for adults. **Please make checks for tights out to her (DownPatt), not to OTM.** For pictures, the girls may wear their hair however they want to (I will have specifics for the recital). Make sure you have all of the accessories that came with your costume. **For combo classes we will take the tap picture first. Please come dressed and ready for your first picture.** Some of the classes overlap on the schedule. We will take individual pictures while we wait on groups to get ready but please **DO NOT BE LATE FOR YOUR SCHEDULED PICTURE TIME!!!!** **If you are late you may miss your group picture.** Everyone needs to come for picture day even if you don't plan on purchasing pictures. I want everyone in the group picture so I can put your smiling faces on my wall!! Parents, please plan on staying for picture day to dress your child. The studio will be open 30 minutes before the first picture time. Here is the picture week schedule:
