

2023-2024 Washington State C.A.R. State Project

"Honoring All Who Served"

"Honoring All Who Served" 2023-2024 ----- 4 Part State Project

Support the C.A.R. State project and learn how your society can honor our veterans either through Wreaths Across America or through Honor Flight. The C.A.R. State Project is in **FOUR** parts: 1. Patriotism; 2. Veterans; 3. Honoring All Who Served (XOXO, Xs will be airplanes for Honor Flight & O's will be Wreaths); 4. Purpose, Showing Our Servicemen and Women the gratitude they deserve.

Activities/Goals:

1. As a state goal will be to purchase & place 150 wreaths (\$17 a piece) across Washington State cemeteries as part of the Wreaths Across America program (December 16th, 2023).
2. After Wreaths Across America our state will focus on Honor Flight.
3. These are my ideas for "Hands On" service projects for our societies:
 - A. Clean veteran headstones at local cemeteries.
 - B. Walk in local parades such as for Veterans Day, Labor Day or Memorial.
 - C. Learn about & write a brief report about a family member who served in the military. Reports can be submitted to the C.A.R. state newsletter to be printed

Donations:

1. From May 1 to Nov 23: purchase wreaths as part of the Wreaths Across America program. (\$17 p/wreath, goal of 150 wreaths purchased = \$2,550 goal)
2. From Nov 24 – April 30: donations going to support Honor Flight.

Presentations on my project: Dorothy will be happy to share her presentation with groups in the state, and will attend as many meetings as possible.

Donation Gift Item ... Get your vinyl stickers that adhere to water bottles or laptops & show your C.A.R. pride and support. Keep watching for how you can get yours!
