ABOUT US

ASAP BARAKAT Co., Ltd was established on January 30, 2024.

The company specializes in providing workforce solutions, both onshore and offshore.

Currently, we continue to focus on recruitment and organizational development to ensure the delivery of highly skilled and efficient personnel to our clients.

Vision

To create jobs and careers with efficiency, ensuring maximum benefits while moving forward toward sustainable growth and a secure future.

MISSION

- Our company focuses on providing comprehensive (one-stop) recruitment services for both offshore and onshore businesses, serving clients domestically and internationally.
- The company has a team of qualified and well-prepared personnel ready to undertake both offshore and onshore assignments as required and specified by our clients.
- The company is dedicated to developing skilled personnel and experts who meet the specific requirements of our clients.
