## The Easter Vigil

***Easter Vigil mass will start at 8:00 PM***

The Roman Missal states “the entire celebration of the Easter Vigil must take place during the night, so that it begins after nightfall and ends before daybreak on Sunday.”

The celebration of the Easter Vigil marks the climax of our Liturgical Year. Of the rich symbols this liturgy is embedded with, the Blessing of the Fire (Lucernarium) requires darkness to be celebrated and experienced. Keeping vigil in earlier centuries meant lighting the lamps at sundown, watching prayerfully throughout the night and celebrating the Eucharist just before sunrise.

Today, we begin in darkness as we wait and we celebrate the Light of Christ, which shatters the darkness.
