

T w in kle the star  
makes new elephant  
friends.

One dark night, Twinkle  
the star wished he could  
visit planet Earth.

Twinkle the star floated  
down to Earth.

He wanted to make new friends.

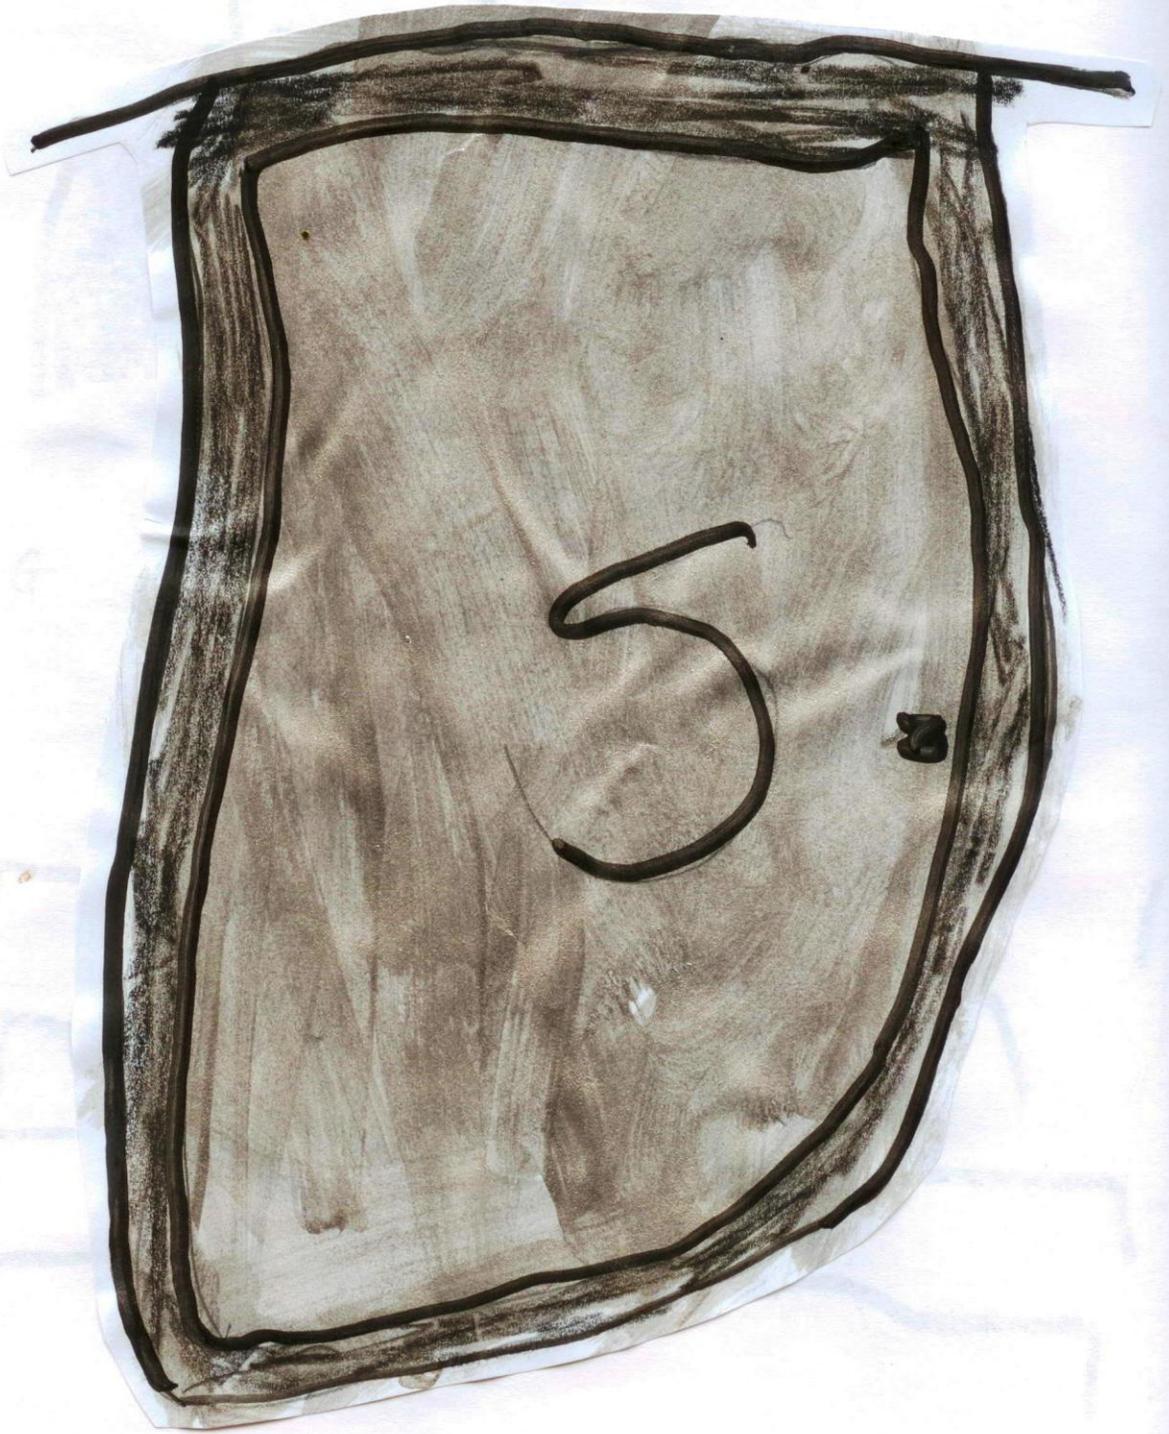

They went to us.

He wanted to make new friends

He didn't like the  
purple and green  
aliens. They were  
mean to the stars.

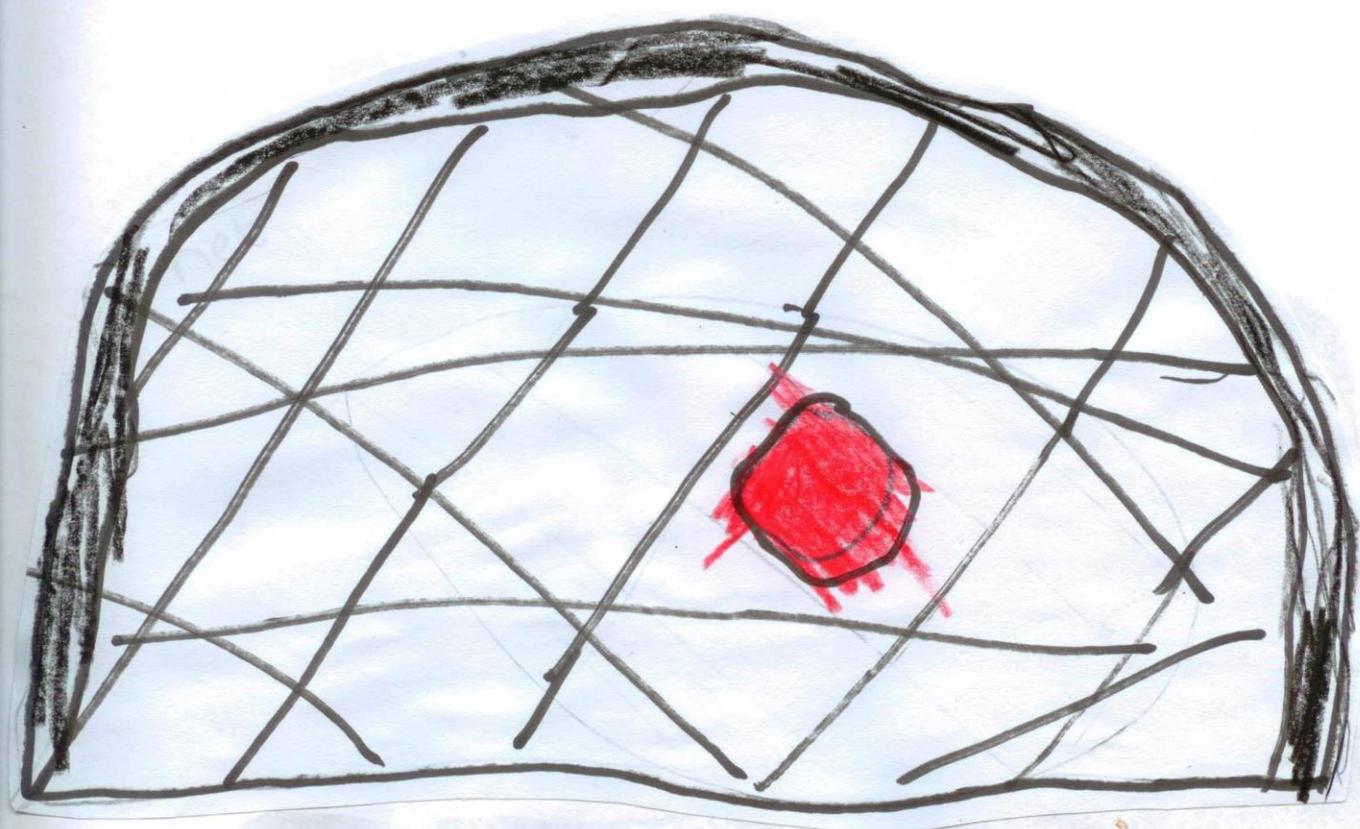

He found a secret  
passage way on the  
Moon in an old huge  
Crater.

Twinkle the star  
landed in Ffynnon  
Taf Primary School.  
The children in  
Dosbarth Eliffant  
found him.

Twinkle played  
football and scored  
two goals.

“Hooray!” said the  
children.

He played Hide and  
Seek and Tag.

Twinkle was happy  
but he missed his star  
friends.

In the morning he  
floated back up

He never forgot his  
Elephant friends and  
watched them,  
twinkled at them and  
waved every night at  
bedtime.
