

Wednesday Evening Prayer 3/25

5 PRAYER POINTS FOR THIS WEEK

1.) PRAY FOR THE CORONAVIRUS PANDEMIC

Continue to ask that God would provide wisdom for Federal, State, and Local leaders. Also, pray over medical professionals and those infected. Pray for a stop to the pandemic and that God would be glorified through this event.

2.) PRAY FOR THE NATION OF ITALY

Italy has suffered tremendous loss over the past several weeks. Pray for those in mourning and pray for the church in Italy to love, serve, and even suffer well. Evangelical Christians make up less than 2% of Italy's population.

3.) PRAY FOR OUR LOCAL CHURCHES

Every week we pray for our church and another church in our community. This week pray for Living Word Tabernacle off Hwy 74. Pray for their leadership and wisdom on how to minister during this pandemic.

4.) PRAY FOR HOUSEHOLDS TO WALK IN FAITH

Although Samuel is a godly prophet & judge, his sons did not walk in his ways. They were corrupt. Pray over our families and households that every member know God and walk in His ways.

5.) PRAY OVER THE THRONE OF YOUR HEART

In asking for a king, Israel essentially dethroned God in their lives. Exod. 14 describes God fighting their battles. In 1 Sam. 8 they would rather a man fight for them. Are there areas in our lives where we've replaced God with someone or something else?

On Wednesday evenings, we've been walking through the book of 1 Samuel. This week we're in Chapter 8. Take time and read through this text while you pray.
