If dreams come true, and you qualify, your entries will be automatically moved to the National Event.  
 Invoices will be generated for both entry and Nationals photo Levy within 24 hours of your State Finals.

**Invoices for both entry and levy are due to be paid by all States by 30 June 2026.**

If you wish to decline a berth in any section, you must complete a NON-ACCEPTANCE FORM which will be available immediately after your State Finals and this needs to be returned to TFT within 7 days of qualification. Failure to do so will result in the entry and levy fees remaining due.

We understand circumstances can affect ability to accept and this allows a full week post your State Finals to ascertain your attendance.

(though we are pretty confident no-one wants to miss out on a Berth to Nationals ever!).

If you have competitors in a Repechage or possible Wildcard situation, please ensure you pay your original Nationals invoices above **by the due date** to avoid late fees and your separate Repechage invoices by their respective due dates.
