**Private Data Protection notice:**

We are collecting and processing this personal data on the basis of being necessary for the purposes of the legitimate interests pursued by SMBA and necessary for protecting against serious community threats to health.

We do this as preventive measures for our community to mitigate the risk of a novel Coronavirus disease (COVID-19) outbreak in our community. Also, we are collecting personal data to be able to support local authorities in case of an outbreak in Santa Monica. In such a case, this data will help the authorities to trace a human-to-human transmission of the Virus.

This data sheet will be stored in our office and is not shared with any third party, unless there will be an official request by the local authorities for reasons of public interest in the area of public health.

The datasheet will be deleted one month after collection, unless a longer period is required by the public authorities.

Thank you for your cooperation!
